TCEQ DOCKET NO. 2006-1572-MWD

IN THE MATTER OF THE APPLICATION BY MARLIN ATLANTIS WHITE, LTD. FOR PROPOSED TPDES PERMIT NO. WQ001457001	§ § § § §	BEFORE THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY
CHIEF CLERK'S OFFICE

MAYOR JULIE MASTERS AND THE CITY OF DICKINSON'S RESPONSE TO THE EXECUTIVE DIRECTOR'S SUPPLEMENTAL RESPONSE TO REQUESTS FOR HEARING AND REQUESTS FOR RECONSIDERATION

TO THE HONORABLE MEMBERS OF THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY:

Mayor Julie Masters, on behalf of the City of Dickinson, Texas ("Mayor Masters"), files this Response to the Executive Director's Supplemental Response to Requests for Hearing and Requests for Reconsideration in the above-referenced matter and would respectfully show the following:

I. RESPONSE TO RECOMMENDATIONS BY EXECUTIVE DIRECTOR CONCERNING DETERMINATION OF AFFECTED PERSON STATUS

Mayor Masters supports the recommendation by the Executive Director ("ED") that Bert Schroeder on behalf of the B. C. Schroeder Jr. Marital Trust, the City of Dickinson, and Betty Gutierrez be found to be affected persons with a personal justiciable interest affected by the permit application.

While the ED has not recommended that Peggy Wright or the associations she represents, specifically "Citizens of Tropical Gardens" and "Tropical Gardens Senior Citizen Group," be found to be affected persons with a personal justiciable interest affected by the permit application, Mayor Masters asserts that Ms. Wright and the "Citizens of Tropical Gardens" and "Tropical Gardens Senior Citizen Group" are affected persons and requests that the ED reconsider its recommendation. Mayor Masters

contends that Ms. Wright and her associations should be granted status of affected person(s) and their requests for contested case hearing should be granted.

II. RESPONSES TO RECOMMENDATIONS BY EXECUTIVE DIRECTOR OF THE ISSUES FOR REFERRAL TO HEARING

Mayor Masters supports the ED's recommendations of the issues for referral to a hearing before the State Office of Administrative Hearings ("SOAH").

While Mayor Masters supports the ED's recommendations of the issues for referral to a hearing before the State Office of Administrative Hearings ("SOAH"), she asserts that the TMDL study currently being performed by TCEQ should be completed prior to the Commission taking any action on TCEQ Permit No. WQ0014570001. The majority of the issues recommended by the ED for contested case hearing directly relate to whether the proposed permit is protective of aquatic life and human health. Both Gum Bayou and Dickinson Bayou are currently identified by TCEQ as "impaired bodies," and this identification as well as issues related thereto resulted in the initiation of the TMDL study. The TMDL study has been in progress for some time and is nearing completion according to TCEQ staff. While a TMDL study is not required in order to determine whether the discharge permit should be granted, the fact is that the results of the TMDL will provide the Commission with relevant and material information concerning the impact of the proposed permit on aquatic life and human health in accordance with the Texas Surface Water Quality Standards.

III. CONCLUSION

Mayor Masters supports the recommendation by the ED that Bert Schroeder on behalf of the B. C. Schroeder Jr. Marital Trust, the City of Dickinson, and Betty Gutierrez

be found to be affected persons with a personal justiciable interest affected by the permit application and that this matter be referred to SOAH with the recommended issues. Mayor Masters respectfully requests that Peggy Wright and Citizens of Tropical Gardens" and "Tropical Gardens Senior Citizen Group" be granted status of affected person(s) with a personal justiciable interest affected by the permit application and that their requests for contested case hearing be granted.

Mayor Masters supports the ED's recommendations of the issues for referral to a hearing before SOAH; however, Mayor Masters respectfully requests that the Commission table any action on the TCEQ Permit No. WQ0014570001 until such time as the TMDL study of Dickinson Bayou currently being conducted by TCEQ is completed. This will allow the City of Dickinson to work with the Applicant, the City of Texas City, and San Leon Municipal Utility District and any other possible regional wastewater treatment facility as well as affected persons to identify an acceptable alternative resolution to the Applicant's wastewater needs related to its proposed 370-acre development.

Respectfully submitted,

CITY OF DICKINSON
