RE: Withdrawal of Request for Contested Case Hearing
Aqua Water Supply Corp. Application for TPDES Permit No. WQ0014833001
Double Eagle Ranch Wastewater Treatment Plant in Bastrop County

Dear Ms. Castañuela,

In a letter from Leigh Sebastian to your office dated November 12, 2007, the Lower Colorado River Authority ("LCRA") protested and requested a contested case hearing on the application by the South Central Water Company for Texas Pollution Discharge Elimination System Permit No. WQ0014833001 to authorize a discharge of treated wastewater from the Double Eagle Ranch development in Bastrop County. That letter expressed a number of concerns that LCRA held regarding the nature of the applicant, the volume of the discharge sought (750,000 gallons per day), potential conflicts with regionalization of wastewater systems and with LCRA's Windmill Ranch Wastewater Treatment Plant, and the fact that LCRA had not been contacted about the possibility of providing wastewater treatment services.

Since that letter was written, LCRA has attended a public meeting on the permit held by Aqua Water Supply Corporation on July 15, 2008, and has seen amendments to the permit application and draft permit. Many of LCRA's concerns have been addressed by changing the permit applicant from South Central Water Company to Aqua Water Supply Company, and by reducing the volume of the permit to 250,000 gallons per day. Additionally, the applicant has been willing to work with LCRA, both at the public meeting and elsewhere, to address LCRA's concerns about regionalization and potential conflict between systems.

Since LCRA's central concerns have been addressed by the applicant, LCRA would like to now formally withdraw its request for a contested case hearing and withdraw its protest to this discharge permit application.

MW

If you have any questions on this matter, please do not hesitate to call me at (512) 473-4046. Thank you very much for your attention to this matter.

Sincerely,

William Medaille
Associate General Counsel
Lower Colorado River Authority

Re: South Central Water Company Application for TPDES PERMIT NO: WQ0014833001
Double Eagle Ranch Wastewater Treatment Plant in Bastrop County, Texas

Dear Ms. Castañuela:

The Lower Colorado River Authority ("LCRA") hereby protests and requests a contested case hearing on the application of the South Central Water Company ("SCWC") for a Texas Pollutant Discharge Elimination System ("TPDES") Permit No. WQ0014833001, to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 750,000 gallons per day in Bastrop County, Texas.

As a steward of the water quality of the Colorado River Basin, the LCRA routinely reviews all Texas Commission on Environmental Quality ("TCEQ") water quality permit applications including discharge and no-discharge municipal permit applications. In addition, LCRA holds a certificate for convenience and necessity for retail wastewater service (CCN Number 20769) with a service area that includes the proposed location of the Double Eagle Ranch Wastewater Treatment Plant. A map of LCRA's certified wastewater service area is attached to this letter.

The proposed Double Eagle Ranch Wastewater Treatment Plant, if issued, is in conflict with the TCEQ's policy regarding regionalization for wastewater treatment systems. As mentioned above, LCRA holds a CCN for a service area that includes the proposed location of the Double Eagle Ranch Wastewater Treatment Plant. LCRA's Windmill Ranch Wastewater Treatment Plant is located two miles east of the proposed Double Eagle Ranch Wastewater Treatment Plant. To date, LCRA has not been contacted by the applicants about the possibility of service from the LCRA's facility.

As an affected person under the TCEQ rules, LCRA requests a contested case hearing regarding the above-referenced application. LCRA submits the following information in compliance with the TCEQ's rules:

(1) Lower Colorado River Authority-Protestant
3700 Lake Austin Blvd.
Austin, Texas 78703
Phone: (512) 473-3200
Facsimile: (512) 473-4010

MW

(2) The Applicant's name is South Central Water Company, TPDES Permit No. WQ0014833001

(3) LCRA requests a contested case hearing.

We would welcome the opportunity to work with the SCWC and TCEQ to address these concerns in a collaborative manner.

If you have any questions, please call me at (512) 473-4024. Thank you for your attention to this matter.

Sincerely,

Leigh Sebastian
Associate General Counsel
Lower Colorado River Authority
