Request for a Public Meeting and a Contested Case Hearing on Permit NO. WQ0014926001.

To whom it my concern,

We received (on March 11, 2009) an email from TCEQ in response to our previous request stating that the deadline will be March 23, 2009 and that "If a decision is made to hold a public meeting, you will receive a hard copy of the public meeting notice in the mail".

Therefore, we formally request a Public Meeting and A Contested Case Hearing on the PROPOSED PERMIT NO. WQ0014926001.

We are sending this letter by fax, registered mail and email to TCEQ and to various news media.

Thank you,

Adriana Casenave

COMMENTS: We are attaching a letter with various neighbors' signatures and mailing the original to you. Please let us know if we need to file a Request for a Public Meeting or A Contested Case Hearing. Thank you for your attention to this matter, Adriana Casenave. 2403 Little Cedar Kingwood, TX 77339 February 26, 2009 TCEQ Executive Director Request a Public Meeting Permit NO. WQ0014926001. REF.: PROPOSED PERMIT NO. WQ0014926001 To whom it my concern, We are concerned about the mentioned Proposed Plant because the treated wastewater will come directly to our own backyards (the signers own properties that end at Peach Creek). We know that the HGAC is studying the problem of excess bacteria in Lake Houston and the TCEQ (TMDL project) is trying to determine the causes. Peach Creek is mentioned in the study as a source of contamination and a big percentage of that is the wastewater flow (Peach Creek in Segment No. 1011). We want to be sure that our Peach Creek meets the states standards for water quality. Our kids swim and wade in Peach Creek and it is not posted to the contrary. We want to know if the proposed daily average discharge will affect us and our properties in case of flooding. We asked for a deadline for Public Meeting or A Contested Hearing and we didnt receive an answer yet. We contact Mr. Michael A. Redda Municipal Permits Team, Wastewater Permitting Section, who sent us a copy of the Executive Directors preliminary decision and personally talked to The City of Patton Village, Honorable Pamela Munoz to allow us to have a copy of the Application Permit No. WQ0014926001. Well really appreciate our concerns being answered. Thank you, Adriana Casenave Gino and Tamara Garza Gloria Giarrusso

CHIEF CLERKS OFFICE

TCEQ Executive Director

Request a Public Meeting Permit NO. WQ0014926001.

REF.: PROPOSED PERMIT NO. WQ0014926001

To whom it my concern,

We are concerned about the mentioned Proposed Plant because the treated wastewater will come directly to our own backyards (the signers own properties that end at Peach Creek).

We know that the HGAC is studying the problem of excess bacteria in Lake Houston and the TCEQ (TMDL project) is trying to determine the causes. Peach Creek is mentioned in the study as a source of contamination and a big percentage of that is the wastewater flow (Peach Creek in Segment No. 1011).

We want to be sure that our Peach Creek meets the state's standards for water quality.

Our kids swim and wade in Peach Creek and it is not posted to the contrary.

We want to know if the proposed daily average discharge will affect us and our properties in case of flooding.

We asked for a deadline for Public Meeting or A Contested Hearing and we didn't receive an answer yet.

We contact Mr. Michael A. Redda Municipal Permits Team ,Wastewater Permitting Section, who sent us a copy of the Executive Director's preliminary decision and personally talked to The City of Patton Village, Honorable Pamela Munoz to allow us to have a copy of the Application Permit No. WQ0014926001.

We'll really appreciate our concerns being answered.
