CHIEF CLERKS OFFICE
TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

This State Prison is located near PenTec property and activities PenTec manufactures Bombs and dismantels them, there by producing dangerous and harmful waste (posable) toxic waste, radioactive waste - fumes - Vapors This State prison property is down the Street and in view of PenTec property. The Radioactive or (posable) toxic fumes Vapors have in the past Killed Birds and other wild life which wonded onto PenTec property. I have made a legal request for Electric Air Monitors to screen the Air and Alert the public of any harmful fumes or Vapors emitted from PenTec machinery or waste ponds please, This is in the best interest of the Civilian public and residents of Amarillo, Potter and Randal County's

It is the Texas Commission on Environmental Quality's job to protect the health and well being of the residents of Amarillo, Potter and Randal County's

I also have a health condition which was not as bad until I got to this State Prison unit, I have demanded and repetedly requested to be transferred out of this state prison or released on Parole for Years

My health and Mentality has been adversely effected by Pantec and the Texas Department Criminal Justice state prison system.
