ADDENDUM N°. 1
****Important Notice to Applicants****
SOLICITATION NO. 582-24-85016-CB
FOR
Texas Clean School Bus Program (TCSB)

GRANT APPLICATIONS DUE DATE: **October 14, 2024, 5:00 p.m. CT**

This Addendum to the Texas Clean School Bus Program (TCSB) serves to remove the application submission limitation of five replacement or retrofit activities per applicant. Applicants may now submit additional applications exceeding the original maximum number of five activities.

The following are changes to the above-referenced Solicitation.

Item A. The Request for Grant Applications (RFGA), Page 5, is amended to remove the limitation of the submission of five activities per applicant. The RFGA Section 4.1 c) now reads: Reserved.

Item B. Project Application Forms TCEQ-20804a and TCEQ-20804b, are amended to remove the section titled Application Submission Limitation. Applicants may submit multiple applications, though each application is still limited to a maximum of five buses.
