Re: Al Jabour TCEQ Docket
2005-1177-PW

Dear Judge Pacey:

I would like to ask your permission
answer to your proposal for Decision
the matter of "Enforcement Action" ag
me, so I could clarify the following:

In section V. Evidence and Argumen
A. Executive Director
1. - a - Bacteriological Monitoring:

As I stated in the hearings Dec 12
I did post a public Notification fo
May 2004 and I faxed it to TCEQ
and followed up by calling Ms. Par
to make sure that they recived it.
told me then that they did received
at that time.

b - Water sampling:

As I mentioned during the hearing, tried to call TCEQ to get some advi I got conflicting answers but I follow them in good faith. No one told me that time that sampling has to be will 24 hours.

C - Five Routine Bacteriological Sample The same as in (b) above.

D - Maximum Contaminant level. I did provide public notification fo January 2004 according to TCEQ r and regulations and I have a copy it.

2- Determination of Penalty:
I stated in the hearing that I thoug the penalty is too heavy for me to he and ASKED YOUR HONOR to consider REDUCING IT because I beleive I tri best and in good faith to comply with law and promised that this will never h again.

B. Respondent (section)

Please allow me to make the follow corrections:

① I didnot say coliform does not co

B. Respondent (section)

Please allow me to make the follow corrections:

① I didnot say coliform does not co

from the water. I said that colifor
not only found in water. It popula
the faucets and is abundant on surfa
grass and the Environment.

Again, I am asking your honor to le
the penalty so I could pay it at the
time I could survive. I believe that
penalty is meant to warn people to c
with law and regulations. I think
got the message across.
Thank you very much.

Sincerely,
Al Jabon
