TCEQ Docket No. 2008-0709 MLM-S

SOAH Docket No. 582-09-1252

CHIEF CLERKS OFFICE

Fact #1 Im not in City of Denison

Fact #11 If the Judges decision of 100% is not upheld and Final I want a Jury trial by the STATE ATT. GENERAL. His decision was Fair and impartial For Both sides. Especialy since your main witness, Mr White EPA OFFICER whom I held in high regards under OATH LIED LIKE A DOG. - got caught - who's monitoring my properly For SEVEN YEARS misleading ME on All Accounts threatened ME in court to pass the witness..... Honorble Judge behind closed doors told MR Guerra and myself that I had won on the Burn charge. Fact: I did get permission From Denison Fire Dept.

Order Provision #2

WHAT is MSW. Its trash to you. MSW is my livlihood and 1000000 other people. But we have no lawyers, Politicians nor education. But were SELF SUFFICIENT. I ASKED Mr White What MSW is he Said Anything we want it to be!

Well I Figured it out yesterday at the Big Dump ground in Lueila. A man took one Referator and shook his head but still paid 28.00 min. FEE plus your 8.00 E.P.A. FEE To dispose of it I was shocked when Big Bulldozer ran over it, mashed it FREON spewing pushed it in the dirt. I would have gotten 10.00 at Local Junkyard and disposed of properly and recycled.

1. Finding of Fact: the site Rest on one parcel of Land 9.4 acre

3. Finding of Fact: My scrap building material is not M.S.W

Thankyou For treating me with respect & dignity at both hearing All of you there could be my Friends. You let me speak my mind. By doing so I keep my sanity. Nite After Nite I've gone over your problems with me. This Letter Finishes it. I Legally disposed of Building material - months ago.

Your Friendly Junker

HARD TO BELIEVE
This is All MSW
Even my little HOUSE
