Job Description:

Performs routine work in the fields of air, water, and/or waste enforcement for the Enforcement Division of the Texas Commission on Environmental Quality (TCEQ). Researches noncompliance allegations, and prepares specific materials including penalty calculations, letters, memos, orders, and technical requirements to support routine enforcement actions. Interacts with respondents to encourage compliance, settle enforcement actions, and initiate use of Supplemental Environmental Projects (SEPs) as appropriate. Provides technical assistance to support final case resolution; prepares cases for administrative or judicial review; coordinates communication between attorneys, investigators, and enforcement staff; and provides testimony at commissioners' agendas, administrative hearings, or civil trials. Tracks cases from initiation to closure to ensure case status is documented in the Agency database completely and accurately. Refers closed cases for follow-up actions to include order tracking. Ensures proper transition of case responsibilities. Assists the public, regulated community, and others regarding enforcement actions, or agency rules and/or policies. Assists with special projects.
