Re: Title 40 Code of Federal Regulations (CFR) Part 60
Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources Reconsideration; Proposed Rule

Dear Ms. Marsh:

The Texas Commission on Environmental Quality (TCEQ) and the Railroad Commission of Texas (RRC) appreciate the opportunity to respond to the U.S. Environmental Protection Agency's (EPA) notice published in the October 15, 2018, issue of the *Federal Register* entitled: "Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources Reconsideration."

Enclosed please find joint comments from the TCEQ and RRC on the proposed rulemaking referenced above. If you have any questions concerning these comments, please contact Mr. Michael Wilson, P.E., Director, TCEQ Air Permits Division, at (512) 239-1922, or by e-mail at mike.wilson@tceq.texas.gov.

Sincerely,

Toby Baker
Executive Director
TCEQ

Wei Wang
Executive Director
RRC
