TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Do you want to know more about how your water well was constructed?

The TCEQ Water Well Report Viewer is an online, map-based locator of over 800,000 historical reports for water wells drilled in Texas.

A water well report includes the following information:

- well location, depth, and construction
- water level
- local geology
- driller and original owner

For more information, please visit www.tceq.texas.gov/goto/waterwellreportviewer
