

REMOVING MERCURY SWITCHES

Removing hood and trunk convenience lights:

1. Remove hood and trunk convenience lights on these cars and trucks:

- GM, 2002 and older.
- Ford, 2001 and older.
- Chrysler, 1998 and older.
- Volvo, 1991 and older.
- Audi, 1977-1988 Audi 100 and 1980-1988 Audi 200

2. Disconnect the battery.

3. Find the small lighting fixture on the underside of the hood or trunk.

4. Cut the power supply wire to the fixture.

5. Remove any fasteners to separate light from vehicle.

RECYCLING MERCURY SWITCHES

Collecting and managing mercury-containing assemblies and pellets:

1. Determine if the vehicle should be checked for a switch assembly. If unsure, check the list of likely vehicle years, makes and models provided.

2. If yes, see removal instructions on opposite panel.

3. Remove the entire assembly. If the state requires pellet removal, then remove the metal pellet from the assembly.

4. Place the assembly and/or pellets in the plastic bucket. Properly labeled containers with air-tight lids will be provided.

5. Replace the lid after each pellet or assembly is added.
