

Bi-national Beach Clean-up

In the spirit of Border 2012, the Municipio of Matamoros in Tamaulipas and the Keep Brownsville Beautiful organization collaborated on a Binational Beach Clean-Up on Saturday, August 6.

Volunteers collected 8 tons of trash on Matamoros' Baghdad Beach and 1.6 tons on Brownsville's Boca Chica Beach. These two beaches are directly across from each other at the mouth of the Rio Grande.
