RE: Application of the City of Hardin, Sewer Certificate of Convenience and Necessity (CCN) No. 20950, to Compel Hardin Water Supply Corporation, CCN No. 11270, to Terminate Water Utility Service for Nonpayment of Sewer Utility Service in Liberty County, Application No. 35020-D

Dear Mr. Siano,

This is to memorialize our conversation of today regarding the above captioned matter, wherein you advised that the commission has changed its mind and apparently is un-referring what has already been referred to the State Office of Administrative Hearings for a hearing. See letter from the Commission of June 5, 2006 signed by Doug Holcomb.

Enclosed please find H. W. S. C. response to the above.

If you have any questions concerning the above please do not hesitate to advise.

Sincerely,

H. GERALD ROSEMAN
