THIS NOTICE SUPERSEDES THE NOTICE SENT TO YOU ON JANUARY 17, 2006, CONCERNING THE FINAL DETERMINATION OF THE UPPER RIO GRANDE. PLEASE DISREGARD THAT NOTICE. PLEASE NOTE THAT THE DEADLINE FOR FILING MOTIONS FOR REHEARING IS **CHANGED TO FEBRUARY 13, 2006.**

Notice is given under 30 Texas Administrative Code § 86.18(c) that on January 13, 2006, the Texas Commission on Environmental Quality issued a Final Determination of all claims of water rights under adjudication in the Upper Rio Grande Segment of the Rio Grande Basin (Above Fort Quitman) located within the State of Texas and which includes all or portions of Hudspeth and El Paso Counties, Texas. The effective date of the Final Determination is January 13, 2006. The Final Determination was sent to you in an earlier mailing.

The Final Determination and all evidence presented or considered by the Commission will be open for public inspection at the offices of the Texas Commission on Environmental Quality in the Office of the Chief Clerk in Building F, 12100 Park 35 Circle, Austin Texas. The times and hours of public inspection will be from 8:00 a.m. until 5:00 p.m. of each working day. Copies of the Final Determination are also available for public inspection at The Rio Grande Compact Commission, 401 East Franklin, Suite 510, El Paso, Texas 79901.

One copy of the Commission's Final Determination will be furnished without charge to each person who filed a claim of a water right in the Upper Rio Grande Segment of the Rio Grande Basin. Any other interested person desiring a copy of the Final Determination may obtain one by writing to Water Supply Division, Water Rights Permitting, Texas Commission on Environmental Quality, P. O. Box 13087, Austin, Texas, 78711-3087. Each request must be accompanied by a check or money order in the amount of \$5.00 per copy requested.

Any water right claimant affected by this Final Determination who disputes the Final Determination may file on or before February 13, 2006, a written motion for rehearing with the Commission stating with reasonable certainty the grounds of the request for rehearing. This motion for rehearing is the same as a motion for rehearing under the Administrative Procedures Act and is a prerequisite to filing an exception to the Final Determination in court under Texas Water Code § 11.318. If the Commission finds that a motion for rehearing does not have merit, it may deny the motion without notice. If the Commission grants a motion for rehearing, it will provide notice to each claimant of the substance of the motion and setting the time and place of
