BEFORE THE
TEXAS COMMISSION ON
ENVIRONMENTAL QUALITY

**AGREED ORDER
DOCKET NO. 2007-1337-WQ-E**

At its _____ agenda, the Texas Commission on Environmental Quality (“the Commission” or “TCEQ”) considered this agreement of the parties, resolving an enforcement action regarding the City of Plano (“the City”) under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the City presented this agreement to the Commission.

The City understands that it has certain procedural rights at certain points in the enforcement process, including, but not limited to, the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Agreed Order, the City agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated settlement of the parties. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Agreed Order are binding upon the City.

The Commission makes the following Findings of Fact and Conclusions of Law:

I. FINDINGS OF FACT

1. The City owns and operates a collection system with a sewer main located at 7700 Circleview Court in Plano, Collin County, Texas (the “Facility”).

Financial Administration Division, Revenues Section
Attention: Cashier's Office, MC 214
Texas Commission on Environmental Quality
P.O. Box 13088
Austin, Texas 78711-3088

2. The City shall implement and complete a Supplemental Environmental Project ("SEP") in accordance with TEX. WATER CODE § 7.067. As set forth in Section II Paragraph 4 above, Eleven Thousand Two Hundred Fifty Dollars (\$11,250) of the assessed administrative penalty shall be offset with the condition that the City implement the SEP defined in Attachment A, incorporated herein by reference. The City's obligation to pay the conditionally offset portion of the administrative penalty assessed shall be discharged upon final completion of all provisions of the SEP agreement.
3. The provisions of this Agreed Order shall apply to and be binding upon the City. The City is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
4. The Executive Director may refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings without notice to the City if the Executive Director determines that the City has not complied with one or more of the terms or conditions in this Agreed Order.
5. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
6. This Agreed Order, issued by the Commission, shall not be admissible against the City in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
7. This agreement may be executed in multiple counterparts, which together shall constitute a single original instrument. Any executed signature page to this Agreement may be transmitted by facsimile transmission to the other parties, which shall constitute an original signature for all purposes.
8. The Chief Clerk shall provide a copy of this Agreed Order to each of the parties. By law, the effective date of this Agreed Order is the third day after the mailing date, as provided by 30 TEX. ADMIN. CODE § 70.10(b) and TEX. GOV'T CODE § 2001.142.

2. The City has discharged wastewater into or adjacent to any water in the state under TEX. WATER CODE ch. 26.
3. During an investigation on May 22, 2007, TCEQ staff documented that the City failed to prevent the unauthorized discharge of wastewater into or adjacent to water in the state. Specifically, on May 20, 2007, approximately 216,000 gallons of wastewater discharged from a 24-inch sewer main located at 7700 Circleview Court due to a line blocked with carpet and plywood. Approximately 800 small dead fish were documented in Russell Creek.
4. The City received notice of the violations on August 1, 2007.
5. The Executive Director recognizes that the City removed the obstruction and cleaned/disinfected the affected area by May 23, 2007.

II. CONCLUSIONS OF LAW

1. The City is subject to the jurisdiction of the TCEQ pursuant to TEX. WATER CODE chs. 7 and 26 and the rules of the Commission.
2. As evidenced by Findings of Fact No. 3, the City failed to prevent the unauthorized discharge of wastewater into water in the state, in violation of TEX. WATER CODE § 26.121(a).
3. Pursuant to TEX. WATER CODE § 7.051, the Commission has the authority to assess an administrative penalty against the City for violations of the Texas Water Code and the Texas Health and Safety Code within the Commission's jurisdiction; for violations of rules adopted under such statutes; or for violations of orders or permits issued under such statutes.
4. An administrative penalty in the amount of Eleven Thousand Two Hundred Fifty Dollars (\$11,250) is justified by the facts recited in this Agreed Order, and considered in light of the factors set forth in TEX WATER CODE § 7.053. Eleven Thousand Two Hundred Fifty Dollars (\$11,250) shall be conditionally offset by the City's completion of a Supplemental Environmental Project.

III. ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The City is assessed an administrative penalty in the amount of Eleven Thousand Two Hundred Fifty Dollars (\$11,250) as set forth in Section II, Paragraph 4 above, for violations of TCEQ rules and state statutes. The payment of this administrative penalty and the City's compliance with all the terms and conditions set forth in this Agreed Order completely resolve the violations set forth by this Agreed Order in this action. However, the Commission shall not be constrained in any manner from requiring corrective actions or penalties for other violations that are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: City of Plano, Docket No. 2007-1337-WQ-E" to:
