AGREED ORDER DOCKET NO. 2007-1206-AIR-E

I. JURISDICTION AND STIPULATIONS

At its _____ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Oasis Pipe Line Company Texas L.P. ("Oasis") under the authority of TEX. HEALTH & SAFETY CODE ch. 382 and TEX. WATER CODE ch. 7. The Executive Director of the TCEQ, through the Enforcement Division, and Oasis, appear before the Commission and together stipulate that:

1. Oasis owns and operates a compressor station at 135 Meridian Lane in Prairie Lea, Caldwell County, Texas (the "Plant").
2. The Plant consists of one or more sources as defined in TEX. HEALTH & SAFETY CODE § 382.003(12).
3. The Commission and Oasis agree that the Commission has jurisdiction to enter this Agreed Order, and that Oasis is subject to the Commission's jurisdiction.
4. Oasis received notice of the violations alleged in Section II ("Allegations") on or about July 4, 2007.
5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by Oasis of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
6. An administrative penalty in the amount of One Thousand Two Hundred Dollars (\$1,200) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). Oasis has paid Nine Hundred Sixty Dollars (\$960) of the administrative penalty and Two

Hundred Forty Dollars (\$240) is deferred contingent upon Oasis' timely and satisfactory compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If Oasis fails to timely and satisfactorily comply with all requirements of this Agreed Order, the Executive Director may require Oasis to pay all or part of the deferred penalty.

7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
8. The Executive Director of the TCEQ and Oasis have agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
9. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Oasis has not complied with one or more of the terms or conditions in this Agreed Order.
10. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
11. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

II. ALLEGATIONS

As owner and operator of the Plant, Oasis is alleged to have failed to conduct performance testing at a load condition within plus or minus ten percent of the 100 percent load, in violation of 30 TEX. ADMIN. CODE § 122.143(4), General Operating Permit No. 514, 40 CODE OF FEDERAL REGULATIONS ("CFR") § 63.6620(b), and TEX. HEALTH & SAFETY CODE § 382.085(b) as documented during a record review conducted on June 6, 2007. Specifically, the testing was conducted at fifty-five percent rated horsepower.

III. DENIALS

Oasis generally denies each allegation in Section II ("Allegations").

IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that Oasis pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and Oasis' compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations, which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Oasis Pipe Line Company Texas L.P., Docket No. 2007-1206-AIR-E" to:

Financial Administration Division, Revenues Section
Attention: Cashier's Office, MC 214
Texas Commission on Environmental Quality
P.O. Box 13088
Austin, Texas 78711-3088

2. It is further ordered that Oasis shall undertake the following technical requirements:
 - a. Within 30 days after the effective date of this Agreed Order, re-test EPN No. E-4 using the proper load condition, in accordance with 40 CFR § 63.6620(b); and
 - b. Within 45 days after the effective date of this Agreed Order, submit written certification that the compliant testing has been completed. The certification shall include detailed supporting documentation including receipts and/or other records to demonstrate compliance with Ordering Provision 2.a. and be notarized by a State of Texas Notary Public, and include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

The certification shall be submitted to:

Order Compliance Team
Enforcement Division, MC 149A
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, Texas 78711-3087

with a copy to:

Air Section Manager
Austin Regional Office
Texas Commission on Environmental Quality
2800 S IH 35, Suite 100
Austin, Texas 78704-5712

3. The provisions of this Agreed Order shall apply to and be binding upon Oasis. Oasis is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Plant operations referenced in this Agreed Order.
4. If Oasis fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, Oasis' failure to comply is not a violation of this Agreed Order. Oasis shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. Oasis shall notify the Executive Director within seven days after Oasis becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
5. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by Oasis shall be made in writing to the Executive Director. Extensions are not effective until Oasis receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
6. This Agreed Order, issued by the Commission, shall not be admissible against Oasis in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
7. This agreement may be executed in multiple counterparts, which together shall constitute a single original instrument. Any executed signature page to this Agreement may be transmitted by facsimile transmission to the other parties, which shall constitute an original signature for all purposes.
8. Under 30 TEX. ADMIN. CODE § 70.10(b), the effective date is the date of hand-delivery of the Order to Oasis, or three days after the date on which the Commission mails notice of the Order to Oasis, whichever is earlier. The Chief Clerk shall provide a copy of this Agreed Order to each of the parties.

UNIT - 1: THE HISTORY OF THE WORLD

The history of the world is a vast and complex subject that encompasses the lives and actions of countless individuals and nations across time and space. It is a story of human progress, struggle, and achievement, from the earliest civilizations to the modern world. The study of history allows us to understand the roots of our current society and the challenges we face today.

One of the most significant aspects of world history is the development of human civilization. From the first agricultural societies to the rise of empires, humans have shown a remarkable capacity for innovation and organization. The study of these early civilizations provides valuable insights into the foundations of modern society.

The history of the world is also characterized by periods of conflict and peace. Wars have shaped the course of human events, leading to the rise and fall of nations and the establishment of new world orders. Understanding the causes and consequences of these conflicts is essential for promoting global peace and stability in the future.

In addition to the study of human history, the world's natural history is equally fascinating. The evolution of life on Earth, from simple organisms to complex ecosystems, is a testament to the power of natural selection and the resilience of life. The study of geology and paleontology helps us understand the Earth's history and the changes that have shaped our planet.

The world's history is a rich tapestry of cultures, languages, and traditions. Each civilization has contributed to the human experience in unique ways, and the study of these diverse cultures allows us to appreciate the full range of human potential. It is through the study of history that we can learn from the successes and failures of others and strive for a better future for all.

As we look to the future, the study of world history remains a vital and relevant pursuit. It provides us with the knowledge and wisdom needed to navigate the challenges of a globalized world and to work together to create a more just and equitable society. The history of the world is not just a record of the past; it is a guide for the future.

The world's history is a story of hope and possibility. It is a story that reminds us of our shared humanity and the potential for a better world. As we continue to explore the past, we gain a deeper understanding of ourselves and the world we live in. The history of the world is a journey that never ends, and it is one that we must all undertake.

I, the undersigned, have read and understand the attached Agreed Order. I am authorized to agree to the attached Agreed Order on behalf of the entity indicated below my signature, and I do agree to the terms and conditions specified therein. I further acknowledge that the TCEQ, in accepting payment for the penalty amount, is materially relying on such representation.

I also understand that failure to comply with the Ordering Provisions, if any, in this order and/or failure to timely pay the penalty amount, may result in:

- A negative impact on compliance history;
- Greater scrutiny of any permit applications submitted;
- Referral of this case to the Attorney General's Office for contempt, injunctive relief, additional penalties, and/or attorney fees, or to a collection agency;
- Increased penalties in any future enforcement actions;
- Automatic referral to the Attorney General's Office of any future enforcement actions; and
- TCEQ seeking other relief as authorized by law.

In addition, any falsification of any compliance documents may result in criminal prosecution.
