To: Persons on the attached mailing list (by mail and facsimile as indicated)

Re: **SOAH Docket No. 582-05-1040; TCEQ Docket No. 2004-0839-AIR.** Application of **Southern Crushed Concrete, Inc.** to change the location of a previously-permitted concrete crushing facility, in **Harris County, Texas**

This letter concerns the scheduling of oral presentations for the Texas Commission on Environmental Quality's (Commission) deliberation and decision on the above-referenced matter. As previously notified, this matter has been scheduled to be considered on Wednesday, May 7, 2008, at 1:00 p.m. The Commission's meeting will take place in Room 201S of Building E, 12100 Park 35 Circle, Austin, Texas. 30 TAC § 80.263 provides as follows:

In proceedings where a judge has held a public hearing and has issued a proposal for decision or other report to the commission, all oral presentations before the commission shall be limited to five minutes each, excluding time for answering questions, unless the chairman or general counsel establishes other limitations. Before the commission meeting, the general counsel may allot time for oral presentations. Oral presentations and responses to questions shall be directed to the commission.

In recognition of the complexity of this case, the Office of General Counsel hereby extends the time for oral argument to 10 minutes for the Applicant, 10 minutes for the Protestants collectively, and 10 minutes for the Office of Public Interest Counsel. The Protestants may apportion their 10 minutes among themselves as they deem appropriate. The Applicant may save some time for rebuttal, as it bears the burden of proof.

If you have any questions about this matter, please contact John Sedberry, Assistant General Counsel, at (512) 239-6575.

Very Truly Yours,
