**IN THE MATTER OF AN  
ENFORCEMENT ACTION  
CONCERNING  
BELVAN CORP.  
RN100214022**

§           **BEFORE THE**  
§  
§           **TEXAS COMMISSION ON**  
§  
§           **ENVIRONMENTAL QUALITY**

## **AGREED ORDER DOCKET NO. 2007-1548-AIR-E**

### **I. JURISDICTION AND STIPULATIONS**

At its \_\_\_\_\_ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Belvan Corp. ("Belvan") under the authority of TEX. HEALTH & SAFETY CODE ch. 382 and TEX. WATER CODE ch. 7. The Executive Director of the TCEQ, through the Enforcement Division, and Belvan appear before the Commission and together stipulate that:

1. Belvan owns and operates a gas plant on United States Highway 190, six miles east of its intersection with State Highway 137, Crockett County, Texas (the "Plant").
2. The Plant consists of one or more sources as defined in the TEX. HEALTH & SAFETY CODE § 382.003(12).
3. The Commission and Belvan agree that the Commission has jurisdiction to enter this Agreed Order, and that Belvan is subject to the Commission's jurisdiction.
4. Belvan received notice of the violations alleged in Section II ("Allegations") on or about September 17, 2007.
5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by Belvan of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
6. An administrative penalty in the amount of Three Thousand Dollars (\$3,000) is assessed by the Commission in settlement of the violation alleged in Section II ("Allegation"). Belvan has paid Two Thousand Four Hundred Dollars (\$2,400) of the administrative penalty and Six Hundred Dollars (\$600) is deferred contingent upon Belvan's timely and satisfactory compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If Belvan fails to timely and satisfactorily comply with all requirements of this Agreed Order, the Executive Director may require Belvan to pay all or part of the deferred penalty.

7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
8. The Executive Director of the TCEQ and Belvan has agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
9. The Executive Director recognizes that Belvan submitted a 2006 annual emissions inventory update on September 17, 2007.
10. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Belvan has not complied with one or more of the terms or conditions in this Agreed Order.
11. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
12. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

## **II. ALLEGATIONS**

As owner and operator of the Plant, Belvan is alleged to have failed to submit a 2006 annual emissions inventory update, in violation of 30 TEX. ADMIN. CODE § 101.10(e), and TEX. HEALTH & SAFETY CODE § 382.085(b), as documented during a record review conducted on September 11, 2007.

## **III. DENIALS**

Belvan generally denies each allegation in Section II ("Allegations").

## **IV. ORDERING PROVISIONS**

1. It is, therefore, ordered by the TCEQ that Belvan pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and Belvan's compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations, which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Belvan Corp., Docket No. 2007-1548-AIR-E to:

Texas Commission on Environmental Quality  
P.O. Box 13088  
Austin, Texas 78711-3088

2. The provisions of this Agreed Order shall apply to and be binding upon Belvan. Belvan is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Plant operations referenced in this Agreed Order
3. This Agreed Order, issued by the Commission, shall not be admissible against Belvan in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
4. This agreement may be executed in multiple counterparts, which together shall constitute a single original instrument. Any executed signature page to this Agreement may be transmitted by facsimile transmission to the other parties, which shall constitute an original signature for all purposes.
5. Under 30 TEX. ADMIN. CODE § 70.10(b), the effective date is the date of hand-delivery of the Order to Belvan, or three days after the date on which the Commission mails notice of the Order to Belvan, whichever is earlier. The Chief Clerk shall provide a copy of this Agreed Order to each of the parties.
