Attachment A
Docket Number: 2008-0991-MWD-E

SUPPLEMENTAL ENVIRONMENTAL PROJECT

Respondent: City of Crowell

Payable Penalty Amount: Ten Thousand Eighty Dollars (\$10,080)

SEP Amount: Ten Thousand Eighty Dollars (\$10,080)

Type of SEP: Pre-approved

Third-Party Recipient: Texas Association of Resource Conservation and Development Areas, Inc. ("RC&D")- Unauthorized Trash Dump Clean-Up

Location of SEP: Foard County

The Texas Commission on Environmental Quality ("TCEQ") agrees to offset a portion of the administrative Penalty Amount assessed in this Agreed Order for the Respondent to contribute to a Supplemental Environmental Project ("SEP"). The offset is equal to the SEP Amount set forth above and is conditioned upon completion of the project in accordance with the terms of this Attachment A.

1. Project Description

A. Project

The Respondent shall contribute to the Third-Party Recipient pursuant to the agreement between the Third-Party Recipient and the TCEQ. Specifically, the contribution will be used to coordinate with city and/or county governmental officials regarding the clean up of sites where trash has been disposed of illegally. Eligible sites will be limited to those where a responsible party can not be identified and where there is no pre-existing obligation to clean up the site by the owner or the government. Additionally, reasonable efforts must have already been taken to prevent the dumping. SEP monies will be used to pay for the direct cost of collection and disposal of debris. All dollars contributed will be used solely for the direct cost of the project and no portion will be spent on administrative costs. The SEP will be done in accordance with all federal, state and local environmental laws and regulations.

The Respondent certifies that there is no prior commitment to do this project and that it is being performed solely in an effort to settle this enforcement action.

B. Environmental Benefit

This SEP will provide a discernible environmental benefit by helping rid communities of the dangers and health threats associated with non-regulated trash dumps which contaminate air and water, and harbor disease carrying animals and insects.

C. Minimum Expenditure

The Respondent shall contribute at least the SEP Amount to the Third-Party Recipient and comply with all other provisions of this SEP.

2. Performance Schedule

Within 30 days after the effective date of this Agreed Order, the Respondent must contribute the SEP Amount to the Third-Party Recipient. The Respondent shall mail the contribution, with a copy of the Agreed Order, to:

Texas Association of Resource Conservation and Development Areas, Inc.
1716 Briarcrest Drive, Suite 510
Bryan, Texas 77802-2700

3. Records and Reporting

Concurrent with the payment of the SEP Amount, the Respondent shall provide the TCEQ SEP Coordinator with a copy of the check and transmittal letter indicating full payment of the SEP Amount to the Third-Party Recipient. The Respondent shall mail a copy of the check and transmittal letter to:

Enforcement Division
Attention: SEP Coordinator, MC 219
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, Texas 78711-3087

4. Failure to Fully Perform

If the Respondent does not perform its obligations under this SEP in any way, including full payment of the SEP Amount and submittal of the required reporting described in Section 3 above, the Executive Director may require immediate payment of all or part of the SEP Amount.

The check for any amount due shall be made out to “Texas Commission on Environmental Quality” and mailed to:

Office of Legal Services
Attention: SEP Coordinator, MC 175
Texas Commission on Environmental Quality
P.O. Box 13088
Austin, Texas 78711-3088

The Respondent shall also mail a copy of the check to the TCEQ SEP Coordinator at the address in Section 3 above.

5. Publicity

Any public statements concerning this SEP made by or on behalf of the Respondent must include a clear statement that the project was performed as part of the settlement of an enforcement action brought by the TCEQ. Such statements include advertising, public relations, and press releases.

6. Clean Texas Program

The Respondent shall not include this SEP in any application made to TCEQ under the "Clean Texas" (or any successor) program(s). Similarly, the Respondent may not seek recognition for this contribution in any other state or federal regulatory program.

7. Other SEPs by TCEQ or Other Agencies

The SEP identified in this Agreed Order has not been, and shall not be, included as an SEP for the Respondent under any other Agreed Order negotiated with the TCEQ or any other agency of the state or federal government.

CONCERNING

§

**BEFORE THE
TEXAS COMMISSION ON
ENVIRONMENTAL QUALITY**

AGREED ORDER DOCKET NO. 2008-0991-MWD-E

I. JURISDICTION AND STIPULATIONS

At its _____ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding City of Crowell ("the City") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the City appear before the Commission and together stipulate that:

1. The City owns and operates a wastewater treatment plant located approximately 0.5 mile east of Atchison Topeka & Santa Fe Railroad crossing over State Highway 6, in the southeast corner of the City of Crowell in Foard County, Texas (the "Facility").
2. The City has caused, suffered, allowed or permitted the discharge of any waste or the performance of any activity in violation of TEX. WATER CODE ch. 26 or any rule, permit, or order of the Commission.
3. The Commission and the City agree that the Commission has jurisdiction to enter this Agreed Order, and that the City is subject to the Commission's jurisdiction.
4. The City received notice of the violations alleged in Section II ("Allegations") on or about May 31, 2008.
5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by the City of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
6. An administrative penalty in the amount of Twelve Thousand Six Hundred Dollars (\$12,600) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations").

Two Thousand Five Hundred Twenty Dollars (\$2,520) is deferred contingent upon the City's timely and satisfactory compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If the City fails to timely and satisfactorily comply with all requirements of this Agreed Order, the Executive Director may require the City to pay all or part of the deferred penalty. Ten Thousand Eighty Dollars (\$10,080) shall be conditionally offset by the City's completion of a Supplemental Environmental Project ("SEP")

7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
8. The Executive Director of the TCEQ and the City have agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
9. The Executive Director recognizes that on March 17, 2008, the City submitted a permit application, which was determined to be administratively complete on June 5, 2008, for authorization to discharge wastewater under a Texas Pollutant Discharge Elimination System ("TPDES") permit.
10. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the City has not complied with one or more of the terms or conditions in this Agreed Order.
11. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
12. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

II. ALLEGATIONS

As owner and operator of the Facility, the City is alleged to have failed to maintain authorization for the discharge of wastewater, in violation of 30 TEX. ADMIN. CODE §§ 305.65 and 305.125(2) and TEX. WATER CODE § 26.121(a), as documented during an investigation conducted on April 2, 2008. Specifically, the City did not renew TPDES Permit No. 10638001, which expired on December 1, 2007, and is continuing to discharge wastewater from the Facility without authorization.

III. DENIALS

The City generally denies each allegation in Section II ("Allegations").

IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that the City pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and the City's compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: City of Crowell, Docket No. 2008-0991-MWD-E" to:

Financial Administration Division, Revenues Section
Attention: Cashier's Office, MC 214
Texas Commission on Environmental Quality
P.O. Box 13088
Austin, Texas 78711-3088

2. The City shall implement and complete a SEP in accordance with TEX. WATER CODE § 7.067. As set forth in Section I, Paragraph 6 above, Ten Thousand Eighty Dollars (\$10,080) of the assessed administrative penalty shall be offset with the condition that the City implement the SEP defined in Attachment A, incorporated herein by reference. The City's obligation to pay the conditionally offset portion of the administrative penalty assessed shall be discharged upon final completion of all provisions of the SEP agreement.
3. It is further ordered that the City shall undertake the following technical requirements:
 - a. Immediately upon the effective date of this Agreed Order, until such time that authorization to operate is obtained, or until 180 days after the effective date of this Agreed Order, whichever is earlier, comply with the permit limits and conditions of expired TPDES Permit No. 10638001;
 - b. Respond completely and adequately, as determined by the TCEQ, to all requests for information concerning the permit application within 30 days after the date of such requests or by any other deadline specified in writing; and
 - c. Within 180 days after the effective date of this Agreed Order, submit written certification of compliance that either authorization to operate has been obtained or that operation has ceased until such time that appropriate authorization is obtained. Written certification shall include detailed supporting documentation including photographs, receipts, and/or other records to demonstrate compliance and shall be notarized by a State of Texas Notary Public and include the following certification language:

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

The certification shall be submitted to:

Order Compliance Team
Enforcement Division, MC 149A
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, Texas 78711-3087

with a copy to:

Water Section, Manager
Abilene Regional Office
Texas Commission on Environmental Quality
1977 Industrial Boulevard
Abilene, Texas 79602-7833

4. The provisions of this Agreed Order shall apply to and be binding upon the City. The City is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
5. If the City fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, the City's failure to comply is not a violation of this Agreed Order. The City shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. The City shall notify the Executive Director within seven days after the City becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
6. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the City shall be made in writing to the Executive Director. Extensions are not effective until the City receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.

7. This Agreed Order, issued by the Commission, shall not be admissible against the City in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
8. This agreement may be executed in multiple counterparts, which together shall constitute a single original instrument. Any executed signature page to this Agreement may be transmitted by facsimile transmission to the other parties, which shall constitute an original signature for all purposes.
9. Under 30 TEX. ADMIN. CODE § 70.10(b), the effective date is the date of hand-delivery of the Order to the City, or three days after the date on which the Commission mails notice of the Order to the City, whichever is earlier. The Chief Clerk shall provide a copy of this Agreed Order to each of the parties.

SUPPLEMENTAL ENVIRONMENTAL PROJECT

Respondent:	City of Crowell
Payable Penalty Amount:	Ten Thousand Eighty Dollars (\$10,080)
SEP Amount:	Ten Thousand Eighty Dollars (\$10,080)
Type of SEP:	Pre-approved
Third-Party Recipient:	Texas Association of Resource Conservation and Development Areas, Inc. ("RC&D")- Unauthorized Trash Dump Clean-Up
Location of SEP:	Foard County

The Texas Commission on Environmental Quality ("TCEQ") agrees to offset a portion of the administrative Penalty Amount assessed in this Agreed Order for the Respondent to contribute to a Supplemental Environmental Project ("SEP"). The offset is equal to the SEP Amount set forth above and is conditioned upon completion of the project in accordance with the terms of this Attachment A.

1. Project Description

A. Project

The Respondent shall contribute to the Third-Party Recipient pursuant to the agreement between the Third-Party Recipient and the TCEQ. Specifically, the contribution will be used to coordinate with city and/or county governmental officials regarding the clean up of sites where trash has been disposed of illegally. Eligible sites will be limited to those where a responsible party can not be identified and where there is no pre-existing obligation to clean up the site by the owner or the government. Additionally, reasonable efforts must have already been taken to prevent the dumping. SEP monies will be used to pay for the direct cost of collection and disposal of debris. All dollars contributed will be used solely for the direct cost of the project and no portion will be spent on administrative costs. The SEP will be done in accordance with all federal, state and local environmental laws and regulations.

The Respondent certifies that there is no prior commitment to do this project and that it is being performed solely in an effort to settle this enforcement action.

B. Environmental Benefit

This SEP will provide a discernible environmental benefit by helping rid communities of the dangers and health threats associated with non-regulated trash dumps which contaminate air and water, and harbor disease carrying animals and insects.

C. Minimum Expenditure

The Respondent shall contribute at least the SEP Amount to the Third-Party Recipient and comply with all other provisions of this SEP.

2. Performance Schedule

Within 30 days after the effective date of this Agreed Order, the Respondent must contribute the SEP Amount to the Third-Party Recipient. The Respondent shall mail the contribution, with a copy of the Agreed Order, to:

Enforcement Division
Attention: SEP Coordinator, MC 219
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, Texas 78711-3087

4. Failure to Fully Perform

If the Respondent does not perform its obligations under this SEP in any way, including full payment of the SEP Amount and submittal of the required reporting described in Section 3 above, the Executive Director may require immediate payment of all or part of the SEP Amount.

The check for any amount due shall be made out to "Texas Commission on Environmental Quality" and mailed to:

Office of Legal Services
Attention: SEP Coordinator, MC 175
Texas Commission on Environmental Quality
P.O. Box 13088
Austin, Texas 78711-3088

The Respondent shall also mail a copy of the check to the TCEQ SEP Coordinator at the address in Section 3 above.

5. Publicity

Any public statements concerning this SEP made by or on behalf of the Respondent must include a clear statement that the project was performed as part of the settlement of an enforcement action brought by the TCEQ. Such statements include advertising, public relations, and press releases.

6. Clean Texas Program

The Respondent shall not include this SEP in any application made to TCEQ under the "Clean Texas" (or any successor) program(s). Similarly, the Respondent may not seek recognition for this contribution in any other state or federal regulatory program.

7. Other SEPs by TCEQ or Other Agencies

The SEP identified in this Agreed Order has not been, and shall not be, included as an SEP for the Respondent under any other Agreed Order negotiated with the TCEQ or any other agency of the state or federal government.
