 A simplified model was used to evaluate ammonia nitrogen ("NH3-N") and flow to determine whether the discharged amounts of pollutants exceeded levels protective of human health or the environment. As a result of these discharges, human health or the environment has been exposed to insignificant amounts of pollutants which do not exceed levels that are protective of human health or environmental receptors.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

IN THE MATTER OF AN  
ENFORCEMENT ACTION  
CONCERNING  
BEACH ROAD MUNICIPAL UTILITY  
DISTRICT  
RN101613818

§  
§  
§  
§  
§  
§

BEFORE THE  
TEXAS COMMISSION ON  
ENVIRONMENTAL QUALITY

AGREED ORDER  
DOCKET NO. 2008-1806-MWD-E

I. JURISDICTION AND STIPULATIONS

At its \_\_\_\_\_ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Beach Road Municipal Utility District ("the Utility District") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the Utility District appear before the Commission and together stipulate that:

1. The Utility District owns and operates a wastewater treatment facility located on the east side of Farm-to-Market Road 2031, approximately 2.8 miles south of the intersection of State Highway 60 and Farm-to-Market Road 2031 and approximately 2.8 miles south of Matagorda, in Matagorda County, Texas (the "Facility").
2. The Utility District has caused, suffered, allowed or permitted the discharge of any waste or the performance of any activity in violation of TEX. WATER CODE ch. 26 or any rule, permit, or order of the Commission.
3. The Commission and the Utility District agree that the Commission has jurisdiction to enter this Agreed Order, and that the Utility District is subject to the Commission's jurisdiction.
4. The Utility District received notice of the violations alleged in Section II ("Allegations") on or about October 26, 2008.
5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by the Utility District of any violation alleged in Section II ("Allegations"), nor of any statute or rule.

6. An administrative penalty in the amount of Four Thousand Three Hundred Fifty Dollars (\$4,350) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). The Utility District has paid Three Thousand Four Hundred Eighty Dollars (\$3,480) of the administrative penalty and Eight Hundred Seventy Dollars (\$870) is deferred contingent upon the Utility District's timely and satisfactory compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If the Utility District fails to timely and satisfactorily comply with all requirements of this Agreed Order, the Executive Director may require the Utility District to pay all or part of the deferred penalty.
7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
8. The Executive Director of the TCEQ and the Utility District have agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
9. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the Utility District has not complied with one or more of the terms or conditions in this Agreed Order.
10. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
11. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

## II. ALLEGATIONS

As owner and operator of the Facility, the Utility District is alleged to have failed to comply with permitted limits, in violation of Texas Pollutant Discharge Elimination System ("TPDES") Permit No. WQ0013563001, Interim Effluent Limitations and Monitoring Requirements No. 1, 30 TEX. The Utility District generally denies each allegation in Section II ("Allegations").

### IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that the Utility District pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and the Utility District's compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Beach Road Municipal Utility District, Docket No. 2008-1806-MWD-E" to:

2. It is further ordered that the Utility District shall, within 90 days after the effective date of this Agreed Order, submit certification of compliance with the permitted effluent limitations of TPDES Permit No. WQ0013563001, including specific corrective actions that were implemented at the Facility to achieve compliance and copies of the most current self-reported discharge monitoring reports, demonstrating at least three consecutive months of compliance with all permitted limitations. The certification shall be notarized by a State of Texas Notary Public and include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

The certification shall be submitted to:

3. The provisions of this Agreed Order shall apply to and be binding upon the Utility District. The Utility District is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
4. If the Utility District fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, the Utility District's failure to comply is not a violation of this Agreed Order. The Utility District shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. The Utility District shall notify the Executive Director within seven days after the Utility District becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
5. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the Utility District shall be made in writing to the Executive Director. Extensions are not effective until the Utility District receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
6. This Agreed Order, issued by the Commission, shall not be admissible against the Utility District in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
7. This agreement may be executed in multiple counterparts, which together shall constitute a single original instrument. Any executed signature page to this Agreement may be transmitted by facsimile transmission to the other parties, which shall constitute an original signature for all purposes.
8. Under 30 TEX. ADMIN. CODE § 70.10(b), the effective date is the date of hand-delivery of the Order to the Utility District, or three days after the date on which the Commission mails notice of the Order to the Utility District, whichever is earlier. The Chief Clerk shall provide a copy of this Agreed Order to each of the parties.
