AGREED ORDER DOCKET NO. 2010-0070-LII-E

I. JURISDICTION AND STIPULATIONS

At its _____ agenda, the Texas Commission on Environmental Quality ("Commission" or "TCEQ") considered this agreement of the parties (the "Agreed Order"), resolving an enforcement action regarding Derald Evans d/b/a The Sprinkler Doctor ("Respondent") under the authority of TEX. WATER CODE chs. 7 and 37 and TEX. OCC. CODE ch.1903. The Executive Director of the TCEQ, represented by the Litigation Division, and Respondent appear before the Commission and together stipulate that:

1. Respondent owns and operates a sprinkler repair service at 7217 Richland Road, Richland Hills, Tarrant County, Texas (the "Business"). Respondent sells, designs, offers consultations regarding, installs, maintains, alters, repairs, and/or services landscape irrigation systems. Therefore, Respondent is subject to TCEQ jurisdiction pursuant to TEX. OCC. CODE ch. 1903 and TEX. WATER CODE ch. 37.
2. This Agreed Order is entered into pursuant to TEX. WATER CODE §§ 7.051 and 7.070. The Commission has jurisdiction of this matter pursuant to TEX. WATER CODE §§ 5.013 and 37.002 because it alleges violations of TEX. OCC. CODE ch. 1903, TEX. WATER CODE ch. 37, and TCEQ rules.
3. The Commission and Respondent agree that the Commission has jurisdiction to enter this Agreed Order, and that Respondent is subject to the Commission's jurisdiction.
4. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by Respondent of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
5. An administrative penalty in the amount of two hundred fifty dollars (\$250.00) is assessed by the Commission in settlement of the violations alleged in Section II. Respondent paid one hundred fifty dollars (\$150.00) of the administrative penalty. The remaining amount of one hundred dollars (\$100.00) of the administrative penalty shall be payable in one (1) payment of one hundred dollars (\$100.00). The payment shall be paid within 30 days after the effective date of this Agreed Order. If Respondent fails to timely and satisfactorily comply with the payment requirements of this Agreed Order, including the payment schedule, the Executive Director may, at his option, accelerate the maturity of the remaining installments, in which event the unpaid balance shall become immediately due and payable without demand or notice. In addition,

Respondent's failure to meet the payment schedule of this Agreed Order constitutes the failure by Respondent to timely and satisfactorily comply with all of the terms of this Agreed Order.

6. Any notice and procedures which might otherwise be authorized or required in this action are waived in the interest of a more timely resolution of the matter.
7. The Executive Director of the TCEQ and Respondent agree on a settlement of the matters addressed in this Agreed Order, subject to the approval of the Commission.
8. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Respondent has not complied with one or more of the terms or conditions in this Agreed Order.
9. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
10. The provisions of this Agreed Order are deemed severable, and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

II. ALLEGATIONS

1. During a record review conducted on December 18, 2009, a TCEQ Central Office investigator documented that Respondent violated 30 TEX. ADMIN. CODE § 30.5(b) and TEX. WATER CODE § 37.003 by failing to refrain from advertising or representing himself to the public as a holder of a license or registration unless he possesses a current license or registration or employs an individual who holds a current license. Specifically, the Respondent advertised sprinkler repair services in a newspaper without a valid landscape irrigator license.
2. Respondent received notice of the violation on or about January 12, 2010.

III. DENIALS

Respondent generally denies each Allegation in Section II.

IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that Respondent pay an administrative penalty as set forth in Section I, Paragraph 5, above, for violations of state statutes and rules of the TCEQ. The payment of this administrative penalty and Respondent's compliance with all the terms and conditions set forth in this Agreed Order resolve only the Allegations in Section II. The Commission shall not be constrained in any manner from considering or requiring corrective action or penalties for violations which are not raised here. Administrative penalty payments shall be made payable to "Texas Commission on Environmental Quality" and shall be sent with the notation "Re: Derald Evans d/b/a The Sprinkler Doctor, Docket No. 2010-0070-LII-E" to:

Financial Administration Division, Revenues Section
Attention: Cashier's Office, MC 214
Texas Commission on Environmental Quality
P.O. Box 13088
Austin, Texas 78711-3088

2. Respondent shall undertake the following technical requirements:

 - b. Within 15 days after the effective date of this Agreed Order, Respondent shall submit written certification and detailed supporting documentation, including photographs, receipts, and/or other records, to demonstrate compliance with Ordering Provision No. 2.a. The certification shall be notarized by a State of Texas Notary Public and include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

Respondent shall submit the written certification and copies of documentation necessary to demonstrate compliance with these Ordering Provisions to:

3. All relief not expressly granted in this Agreed Order is denied.
4. The provisions of this Agreed Order shall apply to and be binding upon Respondent. Respondent is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Business operations referenced in this Agreed Order.

5. If Respondent fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, Respondent's failure to comply is not a violation of this Agreed Order. Respondent shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. Respondent shall notify the Executive Director within seven days after Respondent becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
6. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by Respondent shall be made in writing to the Executive Director. Extensions are not effective until Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
7. This Agreed Order, issued by the Commission, shall not be admissible against Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
8. This Agreed Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument. Any page of this Agreed Order may be copied, scanned, digitized, converted to electronic portable document format ("pdf"), or otherwise reproduced and may be transmitted by digital or electronic transmission, including but not limited to facsimile transmission and electronic mail. Any signature affixed to this Agreed Order shall constitute an original signature for all purposes and may be used, filed, substituted, or issued for any purpose for which an original signature could be used. 9. Under 30 TEX. ADMIN. CODE § 70.10(b) and TEX. GOV'T CODE § 2001.142, the effective date of this Agreed Order is the date of hand delivery of this Agreed Order to Respondent, or three days after the date on which the Commission mails notice of this Agreed Order to Respondent, whichever is earlier.
