**BEFORE THE
TEXAS COMMISSION ON

AGREED ORDER DOCKET NO. 2010-0337-MSW-E

I. JURISDICTION AND STIPULATIONS

At its _____ agenda, the Texas Commission on Environmental Quality ("Commission" or "TCEQ") considered this agreement of the parties (the "Agreed Order"), resolving an enforcement action regarding Larry Robinson ("Mr. Robinson") under the authority of TEX. WATER CODE ch. 7 and TEX. HEALTH & SAFETY CODE ch. 361. The Executive Director of the TCEQ, represented by the Litigation Division, and Mr. Robinson appear before the Commission and together stipulate that:

1. Mr. Robinson is the operator, as defined in 30 TEX ADMIN. CODE § 330.3(101), of an approximately 10.19 acre unauthorized disposal site located at the northwest end of Wagon Wheel Road (KI CO RCH EST, Lot 42), Brackettville, Kinney County, Texas (the "Site"). The Site involves the management and/or the disposal of municipal solid waste as defined in TEX. HEALTH & SAFETY CODE ch. 361.
2. This Agreed Order is entered into pursuant to TEX. WATER CODE §§ 7.051 and 7.070. The Commission has jurisdiction of this matter pursuant to TEX. WATER CODE § 5.013 because it alleges violations of TEX. HEALTH & SAFETY CODE ch. 361 and TCEQ rules.
3. The Commission and Mr. Robinson agree that the Commission has jurisdiction to enter this Agreed Order, and that Mr. Robinson is subject to the Commission's jurisdiction.
4. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by Mr. Robinson of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
5. An administrative penalty in the amount of one thousand fifty dollars (\$1,050.00) is assessed by the Commission in settlement of the violations alleged in Section II. Mr. Robinson paid one thousand fifty dollars (\$1,050.00) of the administrative penalty.
6. Any notice and procedures which might otherwise be authorized or required in this action are waived in the interest of a more timely resolution of the matter.

7. The Executive Director of the TCEQ and Mr. Robinson agree on a settlement of the matters addressed in this enforcement action, subject to the approval of the Commission.
8. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that Mr. Robinson has not complied with one or more of the terms or conditions in this Agreed Order.
9. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
10. The provisions of this Agreed Order are deemed severable, and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

II. ALLEGATIONS

1. During a record review conducted on February 26, 2010, a TCEQ Laredo Regional Office investigator documented that Mr. Robinson violated 30 TEX. ADMIN. CODE § 330.15(c) by failing to prevent the unauthorized disposal of municipal solid waste ("MSW"). Specifically, Mr. Robinson allowed approximately 30 cubic yards of MSW, including scrap metal and roofing shingles, to be disposed of at the Site.
2. Mr. Robinson received notice of the violation on or about March 3, 2010.

III. DENIALS

1. Mr. Robinson generally denies each Allegation in Section II.

IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that Mr. Robinson pay an administrative penalty as set forth in Section I, Paragraph 5, above, for violations of state statutes and rules of the TCEQ. The payment of this administrative penalty and Mr. Robinson's compliance with all the terms and conditions set forth in this Agreed Order resolve only the Allegations in Section II. The Commission shall not be constrained in any manner from considering or requiring corrective action or penalties for violations which are not raised here. Administrative penalty payments shall be made payable to "Texas Commission on Environmental

Quality" and shall be sent with the notation "Re: Larry Robinson, Docket No. 2010-0337-MSW-E" to:

Financial Administration Division, Revenues Section
Attention: Cashier's Office, MC 214
Texas Commission on Environmental Quality
P.O. Box 13088
Austin, Texas 78711-3088

2. Mr. Robinson shall undertake the following technical requirements:
 - a. Immediately upon the effective date of this Agreed Order, Mr. Robinson shall cease allowing the disposal of any additional MSW at the Site;
 - b. Within 30 days after the effective date of this Agreed Order, Mr. Robinson shall remove all MSW from the Site and dispose of the waste at an authorized facility; and,
 - c. Within 45 days after the effective date of this Agreed Order, Mr. Robinson shall submit written certification and detailed supporting documentation, including photographs, receipts, and/or other records, to demonstrate compliance with Ordering Provision Nos. 2.a. and 2.b. The certification shall be notarized by a State of Texas Notary Public and include the following certification language:

"I certify under penalty of law that I have personally examined and am familiar with the information submitted and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."

Mr. Robinson shall submit the written certification and copies of documentation necessary to demonstrate compliance with these Ordering Provisions to:

Order Compliance Team
Enforcement Division, MC 149A
Texas Commission on Environmental Quality
P.O. Box 13087
Austin, Texas 78711-3087

and:

Texas Commission on Environmental Quality
Laredo Regional Office
707 East Calton Road, Suite 304
Laredo, Texas 78041-3887

3. The provisions of this Agreed Order shall apply to and be binding upon Mr. Robinson. Mr. Robinson is ordered to give notice of this Agreed Order to personnel who maintain day-to-day control over the Site operations referenced in this Agreed Order.
4. If Mr. Robinson fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, Mr. Robinson's failure to comply is not a violation of this Agreed Order. Mr. Robinson shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. Mr. Robinson shall notify the Executive Director within seven days after Mr. Robinson becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
5. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by Mr. Robinson shall be made in writing to the Executive Director. Extensions are not effective until Mr. Robinson receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
6. This Agreed Order, issued by the Commission, shall not be admissible against Mr. Robinson in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
7. This Agreed Order may be executed in separate and multiple counterparts, which together shall constitute a single instrument. Any page of this Agreed Order may be copies, scanned, digitized, converted to electronic portable document format ("pdf"), or otherwise reproduced and may be transmitted by digital or electronic transmission, including but not limited to facsimile transmission and electronic mail. Any signature affixed to this Agreed Order shall constitute an original signature for all purposes and may be used, filed, substituted, or issued for any purpose for which an original signature could be used. The term "signature" shall include manual signatures and true and accurate reproductions of manual signatures created, executed, endorsed, adopted, or authorized by the person or persons to whom the signatures are attributable. Signatures may be copied or

reproduced digitally, electronically, by photocopying, engraving, imprinting, lithographing, electronic mail, facsimile transmission, stamping, or any other means or process which the Executive Director deems acceptable. In this paragraph exclusively, the terms "electronic transmission" "owner" "person" "writing" and "written" shall have the meanings assigned to them under TEX. BUS. ORG. CODE § 1.002.

8. Under 30 TEX. ADMIN. CODE § 70.10(b) and TEX. GOV'T CODE § 2001.142, the effective date of this Agreed Order is the date of hand delivery of this Agreed Order to Mr. Robinson, or three days after the date on which the Commission mails notice of this Agreed Order to Mr. Robinson, whichever is earlier. The Chief Clerk shall provide a copy of this Agreed Order to each of the parties.
