TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

IN THE MATTER OF AN ENFORCEMENT ACTION CONCERNING FAITH WEST, INC. RN101188795	**§ § § § §**	**BEFORE THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY**

AGREED ORDER
DOCKET NO. 2010-1297-PWS-E

At its _____ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding Faith West, Inc. ("the Respondent") under the authority of TEX. HEALTH & SAFETY CODE ch. 341. The Executive Director of the TCEQ, through the Enforcement Division, and the Respondent presented this agreement to the Commission.

The Respondent understands that it has certain procedural rights at certain points in the enforcement process, including, but not limited to, the right to formal notice of violations, notice of an evidentiary hearing, the right to an evidentiary hearing, and a right to appeal. By entering into this Agreed Order, the Respondent agrees to waive all notice and procedural rights.

It is further understood and agreed that this Order represents the complete and fully-integrated settlement of the parties. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable. The duties and responsibilities imposed by this Agreed Order are binding upon the Respondent.

The Commission makes the following Findings of Fact and Conclusions of Law:

I. FINDINGS OF FACT

1. The Respondent owns and operates a public water supply at 2225 Porter Road in Harris County, Texas (the "Facility") that has approximately six service connections and serves at least 25 people per day for at least 60 days per year.

2. During a record review conducted on June 30, 2010, TCEQ staff documented that the Respondent did not collect routine distribution water samples for coliform analysis for

the months of January through April 2010 and did not provide public notification of the failure to sample for the months of January through April 2010.

3. During a record review conducted on June 30, 2010, TCEQ staff documented that the Respondent did not collect a set of four repeat distribution coliform samples within 24 hours of being notified of a total coliform-positive result for a routine distribution coliform sample collected during the month of October 2009 and did not provide public notice of the failure to collect all four repeat distribution samples within 24 hours of being notified of a total coliform-positive sample for the month of October 2009.

4. During a record review conducted on June 30, 2010, TCEQ staff documented that the Respondent did not collect at least five routine distribution coliform samples during the month following a total coliform-positive sample result in June 2009 and did not provide public notice of the failure to sample for the month of June 2009.

5. The Respondent received notice of the violations on July 26, 2010.

II. CONCLUSIONS OF LAW

1. The Respondent is subject to the jurisdiction of the TCEQ pursuant to TEX. HEALTH & SAFETY CODE ch. 341 and the rules of the Commission.

2. As evidenced by Findings of Fact No. 2, the Respondent failed to collect routine distribution water samples for coliform analysis and failed to provide a public notification of the failure to sample, in violation of 30 TEX. ADMIN. CODE §§ 290.109(c)(2)(A)(ii) and 290.122(c)(2)(B) and TEX. HEALTH & SAFETY CODE § 341.033(d).

3. As evidenced by Findings of Fact No. 3, the Respondent failed to collect a set of four repeat distribution coliform samples within 24 hours of being notified of a total coliform-positive result for a routine distribution coliform sample and failed to provide public notice of the failure to collect all four repeat distribution samples within 24 hours of being notified of a total coliform-positive sample, in violation of 30 TEX. ADMIN. CODE §§ 290.109(c)(3)(A)(ii) and 290.122(c)(2)(B).

4. As evidenced by Findings of Fact No. 4, the Respondent failed to collect at least five routine distribution coliform samples during the month following a total coliform-positive sample result and failed to provide public notice of the failure to sample, in violation of 30 TEX. ADMIN. CODE §§ 290.109(c)(2)(F) and 290.122(c)(2)(B).

5. Pursuant to TEX. HEALTH & SAFETY CODE § 341.049, the Commission has the authority to assess an administrative penalty against the Respondent for violations of the Texas Water Code and the Texas Health and Safety Code within the Commission's jurisdiction; for violations of rules adopted under such statutes; or for violations of orders or permits issued under such statutes.

6. An administrative penalty in the amount of Two Thousand Two Hundred Eighty Dollars ($2,280) is justified by the facts recited in this Agreed Order, and considered in light of the factors set forth in TEX. HEALTH & SAFETY CODE § 341.049(b). The Respondent has paid the Two Thousand Two Hundred Eighty Dollar ($2,280) administrative penalty.

III. ORDERING PROVISIONS

NOW, THEREFORE, THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY ORDERS that:

1. The Respondent is assessed an administrative penalty in the amount of Two Thousand Two Hundred Eighty Dollars ($2,280) as set forth in Section II, Paragraph 6 above, for violations of TCEQ rules and state statutes. The payment of this administrative penalty and the Respondent's compliance with all the terms and conditions set forth in this Agreed Order completely resolve the violations set forth by this Agreed Order in this action. However, the Commission shall not be constrained in any manner from requiring corrective actions or penalties for other violations that are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: Faith West, Inc., Docket No. 2010-1297-PWS-E" to:

   b. Within 30 days after the effective date of this Agreed Order, implement procedures to ensure that all necessary public notifications are provided in a timely manner to the customers of the Facility, in accordance with 30 TEX. ADMIN. CODE § 290.122; and

4. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the Respondent shall be made in writing to the Executive Director. Extensions are not effective until the Respondent receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.

5. The Executive Director may refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings without notice to the Respondent if the Executive Director determines that the Respondent has not complied with one or more of the terms or conditions in this Agreed Order.

6. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.

7. This Agreed Order, issued by the Commission, shall not be admissible against the Respondent in a civil proceeding, unless the proceeding is brought by the OAG to: (1)

enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
