## TCEQ Interoffice Memorandum

**To:** Commissioners, TCEQ

**Thru:** Richard A. Hyde, P.E., Deputy Director  
Office of Compliance and Enforcement

**From:** Ramiro Garcia, Jr., Director  
Border and South Central Texas Area

**Date:** September 2, 2011

**Subject:** Fiscal Year (FY) 2012 Proposed Assessment of Annual Costs of Operations  
for the Concho River Watermaster Program

The Concho River Watermaster fund is required by Texas Water Code (Code) §11.329 to pay compensation and expenses of the Watermaster and to pay expenditures for equipment, facilities, and capital expenditures necessary for Watermaster operations when recommended by the Watermaster Advisory Committee (WAC) and the Executive Director and approved by the Commission.

The attached document, "Concho River Watermaster Operations", was presented to the Concho River WAC on July 20, 2011, in San Angelo, Texas. The third column, "FY'12 Operating Budget Needs" indicates the projected program needs within the FY'12 appropriation. The "FY'11 Anticipated Expenditures" (column 2) shows the projected program expenditures for the current fiscal year. Also, attached to this memo is a copy of the public meeting notice for the July, 2011 Concho River WAC meeting that provided thirty (30) day notice of the budget hearing as required by the Code. An additional public meeting notice was mailed on August 22, 2011 to all affected water right holders regarding this budget item scheduled for the September 21, 2011 commission agenda. A copy of that notice and the mailing affidavit from the Chief Clerk's office are also attached.

WAC members have acknowledged the "FY'11 Anticipated Expenditures" in the amount of \$158,572, as provided. WAC members also agreed with staff's recommendation for the proposed "FY'12 Operating Budget Needs" in the amount of \$165,280. A copy of the WAC meeting agenda is attached for your information.

Staff recommends the "FY'12 Operating Budget Needs" in the amount of \$165,280. Using this budget amount, the program calculates its assessment based on a 99.7% collection rate; therefore, the total assessment amount is \$165,777 with a municipal rate estimated at \$0.5742. The calculated rate for FY'12 is expected to generate revenue in excess of the Comptroller's Biennial Revenue Estimate (BRE) when combined with the revenue estimates for the Rio Grande Watermaster Program and the South Texas

Watermaster Program. This combined excess revenue collection will provide access to the contingency Watermaster appropriations as authorized in Rider 24 of the FY'12-'13 General Appropriations Act.

This memorandum requests Commission approval of the Concho River Watermaster Program operating budget and assessment for FY'12. If I can be of further assistance or should you have any questions regarding this matter, please contact me at 239-4481 or Amy Settemeyer, Watermaster Liaison, at 239-2588.
