From: Kellye Rila, Director

Date: August 16, 2013

Subject: Fiscal Year (FY) 2014 Proposed Assessment of Annual Costs of Operations for the Concho River Watermaster Program

The Concho River Watermaster fund is required by Texas Water Code (TWC) § 11.329 to pay compensation and expenses of the Watermaster and to pay expenditures for equipment, facilities, and capital expenditures necessary for Watermaster operations when recommended by the Watermaster Advisory Committee (WAC) and the Executive Director and approved by the Commission.

The attached letter dated June 6, 2013, along with the enclosed May 24, 2013, draft assessment table, was provided to Concho River Watermaster Program WAC members on June 6, 2013, and the draft assessment was discussed during a public meeting on July 18, 2013, in San Angelo, Texas. The second column, "FY14 Operating Budget Needs" indicates the projected program needs within the FY 2014 appropriation. Also, attached to this memo is a copy of the public meeting notice for the July 2013 Concho River WAC meeting. An additional public meeting notice was mailed on August 2, 2013, to all affected water right holders regarding this budget item scheduled for the September 4, 2013, commission agenda. A copy of that notice and the mailing affidavit from the Chief Clerk's office are also attached. As required by the TWC, this notice provides thirty (30) days notice of the budget hearing.

During the WAC meeting, WAC members discussed staff's initial recommendation on the proposed "FY14 Operating Budget Needs" in the amount of \$199,887.19. During the meeting the WAC did not agree with the LAR Capital line item and voted to request TCEQ remove it from the proposed assessment. A copy of the WAC meeting agenda is attached for your information.

Staff reviewed the draft budget along with the WAC input, and recommends a revision to the original draft. Specifically, staff recommends the attached "FY14 Operating Budget Needs" in the amount of \$173,387.19, which does not include the LAR Capital costs originally presented to the WAC. Staff provided the revised draft budget to the WAC members by email on August 2, 2013. No additional input has been received from

TCEQ Interoffice Memorandum

WAC members regarding the revised budget. Using this revised budget amount, the program calculates its assessment based on a 99% collection rate; therefore, the total assessment amount of \$175,138.58 with a municipal rate of \$0.6070. This staff proposal represents an increase of \$0.0139 from the previous year's municipal rate of \$0.5931. The calculated rate for FY 2014 is expected to generate revenue in excess of the Comptroller's Biennial Revenue Estimate (BRE) when combined with the revenue estimates for the Rio Grande Watermaster Program and the South Texas Watermaster Program. This combined excess revenue collection will provide access to the contingency Watermaster appropriations as authorized in Rider 22 of the General Appropriations Act.

This memorandum requests Commission approval of the Concho River Watermaster Program operating budget and assessment for FY 2014. If I can be of further assistance or should you have any questions regarding this matter, please contact me at 239-4612, Amy Settemeyer, Watermaster Section Manager at 239-2588, or Steve Ramos, Concho River Watermaster at (210) 403-4040.

Re: **Revised Date for Meeting** – Preliminary Budget for Fiscal Year 2014 for the Concho River Watermaster

Dear Concho River Watermaster Advisory Committee Members:

Enclosed for your review is a preliminary Proposed Budget for Fiscal Year 2014 (FY14) for the Concho River Watermaster Program (CRWM). This notice is required by the Texas Water Code to be submitted at least 60 days before the Texas Commission on Environmental Quality (Commission, or TCEQ) meets to consider a proposed order establishing the final assessment amount (Texas Water Code, Section 11.557).

The Watermaster will present a detailed proposed budget to the Watermaster Advisory Committee (WAC) during a meeting at the Dr. Ralph R. Chase State of Texas Services Center, Room 114, on **Thursday, July 18, 2013 at 1:30 p.m.** Staff will mail a notification of this meeting to all water right holders and will provide an opportunity for the public to provide comments at the meeting.

The following list includes the pending time frames for budget approval:

- **June 18:** Watermaster staff will mail notification of WAC meeting to water right holders.
- **July 18:** The WAC will meet to discuss the preliminary budget.
- **July 19-31:** TCEQ management will review the proposed budget
- **August 5:** TCEQ will mail notice of the Commission meeting to all water right holders.
- **September 4:** The Commission will meet to consider approval of the FY14 budget.
- **October:** TCEQ will mail FY14 invoices to water right holders.

The proposed assessment provides funding needed to support the Watermaster Program without additional TCEQ subsidy. Preliminary calculations indicate that the total amount to be assessed for FY14 would be \$201,906.25, which is an increase when compared to FY13. Most of this difference is from the cost of one new vehicle that is needed by the Concho River Watermaster program, which has attempted to minimize other planned expenditures in an effort to keep the assessment rate as low as possible.

If you have any questions or comments, please do not hesitate to contact me at (512) 239-4721 or Esteban (Steve) Ramos, South Texas/Concho River Watermaster at (210) 403-4040.

Special Notice – Participation on Committee

The Concho River WAC was established based on the Texas Water Code Section 11.557. The WAC is required to:

- provide recommendations to the watermaster and deputy watermaster regarding water administration and distribution activities that would benefit water rights holders;
- advise the watermaster and deputy watermaster on complaints and enforcement matters;
- provide input on the annual budget of the Concho River Watermaster Program by reviewing the draft budget proposed by the watermaster, holding a public hearing on the proposed budget, and making recommendations to the executive director; and
- provide assistance as requested by the watermaster, deputy watermaster, or water right holders.

The TCEQ values input from the Concho River WAC and is actively seeking interested participants to serve on the committee as vacancies become available. If you are interested in serving, or would like to nominate someone for appointment consideration, please contact the South Texas / Concho River Watermaster's office at (210) 490-3096, via fax at (325) 658-5431, or e-mail at Steve.Ramos@tceq.texas.gov.
