Re: McCarty Road Landfill TX, LP, MSW Permit No. 261B
TCEQ Docket No. 2006-1830-MSW

Dear Mr. Seal:

The Executive Director requested permission to late-file backup materials on the above-referenced case on February 26, 2007.

This matter is currently set for Agenda on March 28, 2007. The Executive Director sought an extension of the filing deadline for backup materials to March 1 or March 2, 2007.

One hearing requestor, Harris County Public Health & Environmental Services, was inadvertently omitted from the certificate of conference submitted with the Executive Director's request. The counsel for this party was contacted on February 27, 2007, and does not oppose the request for extension.

If you have further questions, feel free to contact me at (512) 239-5731.

Respectfully,

Diane Goss, Staff Attorney
Environmental Law Division
