RE: Rancho Del Lago, Inc.
Permit Application No. WQ0014615001

Dear Ms. Baker:

Thank you for your request for a public meeting on the application submitted by Rancho Del Lago, Inc. In order to determine whether a public meeting should be held, the Executive Director considers the factors set out in 30 Texas Administrative Code Section 55.154. These rules require that a public meeting be held if: (1) the Executive Director determines that there is a substantial or significant degree of public interest in an application; (2) a member of the legislature who represents the general area in which the facility is located or proposed to be located requests that a public meeting be held; or (3) when a public meeting is otherwise required by law. The Executive Director has determined not to hold a public meeting on this application.

The TCEQ appreciates your interest in environmental issues. If you have any further questions, please feel free to contact the Office of Public Assistance at 1-800-687-4040 or me at (512) 239-0144.

Sincerely,
