NOTICE OF PUBLIC MEETING ON AN APPLICATION FOR
WATER QUALITY TPDES PERMIT AMENDMENT
PROPOSED PERMIT NO. WQ0002730000

APPLICATION. JOCO Holding Corporation, P.O. Box 10, Burleson, Texas 76097, has applied to the Texas Commission on Environmental Quality (TCEQ) for a major amendment wastewater disposal Permit No. WQ0002730000 to authorize the discharge of treated domestic and food wastewater at a volume not to exceed a daily average flow of 10,000 gallons per day via Outfall 001, under a Texas Pollutant Discharge Elimination System (TPDES) Permit (EPA I.D. No. TX0127671). The facility is located on the east side of Interstate Highway 35 West, approximately 2,000 feet southeast of the Bethesda Road overpass and approximately 5.1 miles southeast of the City of Burleson, Johnson County, Texas. The discharge route is from the plant site to a series of ditches; thence to Quil Miller Creek; thence to Lake Arlington.

The TCEQ Executive Director has determined the application is administratively complete and will conduct a technical review of the application. After completion of the technical review, the TCEQ will issue a Notice of Application and Preliminary Decision.

PUBLIC COMMENT/PUBLIC MEETING. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. During the Informal Discussion Period, the public is encouraged to ask questions of the applicant and TCEQ staff concerning the application and the Executive Director's preliminary decision, but these informal comments made during the informal period will not be considered by the Commissioners before reaching a decision on the permit and no formal response will be made. During the Formal Comment Period, members of the public may state their formal comments into the official record. A written response to all formal comments will be prepared by the Executive Director and considered by the Commissioners before they reach a decision on the permit. A copy of the response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this application and provides an address. Only relevant and material issues raised during the formal comment period can be considered if a contested case hearing is granted.

The Public Meeting is to be held:
Thursday, June 22, 2006 at 7:00 p.m.
Chamber of Commerce Building
1044 SW Wilshire Blvd.
Burleson, Texas 76028

We have sent letters before evidently to No Quail -

INFORMATION. Citizens are encouraged to submit written comments anytime during the meeting or by mail before the meeting to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. also since Burleson annexed us 3 years ago and did nothing for us except collect our tax money. It should be their responsibility to put sewer lines to take care of their premature taxing deal.

To Whom It May Concern:

I am the owner of property that is down gradient from the above-referenced motel and restaurant complex and I object to the effluent discharge if any of that discharge will end up in creeks that traverse my property.

Please call me upon your receipt of this letter to discuss the location of the series of ditches, the location of Quil Miller Creek and Village Creek, etc. so that I can make a determination on whether any of this will adversely impact my property.

Sincerely,

J. Walker Holland

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR WATER QUALITY TPDES PERMIT AMENDMENT FOR INDUSTRIAL WASTEWATER

PERMIT NO. WQ0002730000

APPLICATION AND PRELIMINARY DECISION. JOCO Holding Corporation, P. O. Box 10, Burleson, Texas 76097-0010, which operates a motel and restaurant complex, has applied to the Texas Commission on Environmental Quality (TCEQ) for a major amendment to TCEQ Permit No. WQ0002730000 to authorize the discharge of treated domestic and food wastewaters at a volume not to exceed a daily average flow of 10,000 gallon per day via Outfall 001. The current permit authorizes the disposal of domestic wastewater by evaporation and irrigation of 152 acres of costal bermuda grass at an application rate not to exceed 3.85 acre-feet per year per acre irrigated. This application was submitted to the TCEQ on October 20, 2004.

The facility is located on the east side of Interstate Highway 35 West, approximately 2000 feet southeast of the Bethesda Road overpass and approximately 5.1 miles southeast, Johnson County, Texas. The effluent will be discharged to a series of ditches; thence to Quil Miller Creek; thence to Village Creek; thence to Lake Arlington, in Segment No. 0828 of the Trinity River Basin. The unclassified receiving waters have no significant aquatic life use for the series of ditches and Quil Miller Creek. The designated uses for Segment No. 0828 are high aquatic life use, contact recreation, and public water supply. No significant degradation of high quality receiving waters is anticipated.

The TCEQ executive director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The executive director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, executive director's preliminary decision (as contained in the technical summary and/or fact sheet), and draft permit are available for viewing and copying at U.S Post Office, 232 Southwest Johnson Avenue, Burleson, Texas.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit written or oral comment or to ask questions about the application. Generally, the TCEQ will hold a public meeting if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

Written public comments and requests for a public meeting should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087 within 30 days of the date of newspaper publication of this notice.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for public comments, the executive director will consider the comments and prepare a response to all relevant and material, or significant public comments. **The response to comments, along with the executive director's decision on the application, will be mailed to everyone who submitted public comments or who requested to be on a mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the executive director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

A contested case hearing will only be granted based on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on issues that were raised during the public comment period and not withdrawn. Issues that are not raised in public comments may not be considered during a hearing.

EXECUTIVE DIRECTOR ACTION. The executive director may issue final approval of the application unless a timely contested case hearing request or a timely request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the executive director will not issue final approval of the permit and will forward the application and requests to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LISTS. In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices mailed by the Office of the Chief Clerk. You may request to be added to: (1) the mailing list for this specific application; (2) the permanent mailing list for a specific applicant name and permit number; and/or (3) the permanent mailing list for a specific county. Clearly specify which mailing list(s) to which you wish to be added and send your request to the TCEQ Office of the Chief Clerk at the address above. Unless you otherwise specify, you will be included only on the mailing list for this specific application.

INFORMATION. If you need more information about this permit application or the permitting process, please call the TCEQ Office of Public Assistance, Toll Free, at 1-800-687-4040. General information about the TCEQ can be found at our web site at www.tceq.state.tx.us.

Further information may also be obtained from JOCO Holding Corporation at the address stated above or by calling Ms. Martha C. Martin at (817) 295-7373.
