RE: Docket No. 2007-1068-DIS; TCEQ Internal Control No. 03152007-D06;
Registraton NO. 7319000, Roman Forest Consolidated MUD

Request to overturn TCEQ executive director's approval of the application to
implement stand-by tax.

Chief Clerk,

I am requesting to overturn the TCEQ executive director's approval of the application to
implement a stand-by tax. If this tax is implemented it will cause the property value to
depreciate and the land lord may let the property foreclose, as it has happened in the past.
Roman Forest already has high taxes and because of these high taxes the value of the land
has depreciated while other nationwide properties that have had a tremendous property
value increase. Due to this lots are unable to be sold and additional taxes will make
property values even worse. Therefore I am requesting to overturn the TCEQ executive
director's approval of the application to implement a stand-by tax.

If there are any questions please feel free to contact me at 281-242-3144.

Thank you,

Mohammed Ashraf
