The procedures for evaluating hearing requests/requests for reconsideration are located in 30 Texas Administrative Code (TAC) Chapter 55, Subchapter F (§§55.200-211) of the commission's rules. The procedures for the filing of responses and replies are located in 30 TAC Chapters 1 (§§1.10-11) and 55 (§55.209) of the commission's rules. Copies of these rules may be obtained by calling the Office of Public Assistance toll free at 1-800-687-4040.

The commissioners will not take oral argument or additional comment on this matter at the public meeting. Therefore, it is important to address the sufficiency of the requests in timely filed written responses and requesters' replies. At the public meeting, the commissioners may ask questions of the applicant, requesters, or TCEQ staff. The commissioners will make a decision on the request(s) during the meeting and will base that decision on the timely written requests, public comments, any written responses and replies, any responses to questions during the meeting, and applicable statutes and rules. Copies of all timely public comments and requests have been forwarded to the Office of Alternative Dispute Resolution to determine if informal, voluntary mediation might help resolve any dispute.

The attachment to this letter is intended to help you better understand how the TCEQ processes and evaluates hearing requests and requests for reconsideration. To obtain additional information, or to ask questions about anything in this letter, please call the TCEQ's Office of Public Assistance toll-free at 1-800-687-4040.

Sincerely,

LaDonna Castañuela  
Chief Clerk

## ATTACHMENT

### **Procedures Concerning Requests for Reconsideration and Requests for Contested Case Hearing**

The purpose of this document is to describe commission procedures for evaluating requests for reconsideration and requests for contested case hearing. This document is not intended to be a comprehensive guide to public participation at the TCEQ.

The three commissioners determine the validity of requests for reconsideration and requests for contested case hearing and vote to grant or deny the requests during a public meeting. These public meetings are usually held every other Wednesday in Austin. Prior to the meeting, the following occurs:

- 1) the written requests are distributed to the executive director, the public interest counsel, and the applicant. These persons may file a response at least 23 days before the meeting;
- 2) the requester may then file a reply to the responses at least 9 days before the meeting. This is the requester's opportunity to address any deficiencies in the request that have been identified by TCEQ staff or the applicant. The requester must submit any information he or she wishes the commissioners to consider (ex: maps or diagrams showing requester's location relative to the applicant's proposed activities) by this deadline; and
- 3) the commissioners read the requests, the responses to requests, and the replies, before the public meeting. Then, during the public meeting, the commissioners vote to grant or deny the requests.

#### **Requests for Reconsideration**

A request for reconsideration must expressly state that the person is requesting that the commission reconsider the executive director's decision and state the reasons why the commission should reconsider the executive director's decision. The commission will consider a request for reconsideration at a scheduled public meeting and grant or deny the request.

#### **Requests for Contested Case Hearing**

A contested case hearing is an evidentiary proceeding, similar to a hearing in civil court. The law allows for holding a contested case hearing on certain types of applications.

A valid request for a contested case hearing must:

- 1) demonstrate that the requester is an "affected person" with a "personal justiciable interest" related to a legal right, duty, privilege, power or economic interest which would be affected by the application in a manner not common to the general public;
- 2) if the request is made by a group or association, identify one or more members who have standing to request a hearing, and the interests the group or association seeks to

- protect;
- 3) expressly request a contested case hearing;
  - 4) raise disputed issues of fact that are relevant and material to the commission's decision on the application which were raised during the comment period and not withdrawn prior to the filing of the Executive Director's Response to Comment; and
  - 5) include any other information as specified in public notices.

The commission is authorized to protect human health and safety, and natural resources. The commission cannot address other matters outside the commission's authority, such as the effect of the existence of a proposed facility on nearby property values.

When the commissioners deny hearing requests, they often proceed to vote on approval or denial of the application. Alternatively, they may remand the application to the executive director for final action. If a hearing request is granted and the application is referred to the State Office of Administrative Hearings (SOAH), the commissioners will specify a list of issues which will be the subject of the hearing and an expected date for the SOAH judge's proposal for decision. The SOAH judge will conduct the hearing and submit a proposal to the commission to approve or deny the application.

The Alternative Dispute Resolution Office may contact requesters to determine their interest in informal discussions with the permit applicant and a mediator.

By necessity this document gives a very general description of commission procedures. If you have any questions, please call OPA toll-free at 1-800-687-4040.
