Dear Sir or Madam:

Many of my constituents in Senate District 28 have expressed concern regarding your Notice of Application and Preliminary Decision for Water Quality TCEQ Permit Amendment for Industrial Wastewater for BWXT Pantex, L.L.C., Permit No. WQ0002296000. The application requests a major amendment that raises serious concerns for those whose homes surround BWXT Pantex, as well as all users of the Ogallala Aquifer.

I respectfully request that TCEQ hold a public meeting regarding this application. The individuals expressing concern deserve an opportunity to publicly discuss the issues surrounding this amendment. Thank you for your time and attention to this matter. If you have any further questions, please contact my office.

Yours very truly,

*Robert Duncan*
