RE: Air Quality Permit Application No. 76508

To Whom It May Concern:

As the State Senator representing Kerr County, please allow this letter to serve as my official request for the Texas Commission on Environmental Quality (TCEQ) to conduct a public meeting regarding the above referenced application.

I request that the public meeting be conducted at a time and place in Kerr County that would make it as convenient as possible for county residents to attend and express their views on this matter without having to drive to Austin.

As you are probably aware, the Kerr County Commissioners Court and the Center Point Independent School Board have also voted to request a public meeting and contested case hearing on this application.

Thank you for your attention to this matter. Please feel free to contact me should you have any questions.

Sincerely,

Troy Fraser
State Senator
