**PLEASE HELP ME.....**

**I live in Willis, Texas off highway 830 in Seven  
Coves addition.**

**It will be two years in August that I moved into  
this addition.**

**The sewage plant is near my house and is only the  
size of an above ground swimming pool.**

**It is HORRIBLE to have friends over and we sit  
out on the patio and SMELL RAW SEWAGE.  
It smells like you have your head in a toilet.**

**One neighbor had to sell his house at a reduced  
price due the odor. He has contacted a lawyer.**

**The board knows about this and how bad our water is in this addition. Nothing has been done and when they had the last meeting concerning the water problem.....we never received a notice.... I WONDER WHY?**

**Sometimes in the morning when you get water out of the tap first thing....it is BROWN...**

**I hope you can help us.**
