Re: *Application of Wood Oaks Hollow, LLC to Obtain a Water Quality Permit  
Proposed No. WQ00148748001 in Collin County*

Dear Ms. Castañuela:

This firm represents the City of Anna, Texas ("City" or "Anna") located in Collin County, Texas. The City is in receipt of the *Responses to Hearing Requests* filed by both the Executive Director ("ED") of the Texas Commission on Environmental Quality and the Office of Public Interest Council ("OPIC").

Please accept this letter as the City's notice of its support of both the ED's and OPIC's *Response to Hearing Requests*. The City wishes to note that the Applicant, Wood Oaks Hollow, LLC, has not served its response to hearing requests on the City nor has the City been able to locate a response by Applicant in the Chief Clerk's files. If it is discovered that Applicant did in fact file a response but failed to serve the City, the City will request an extension of time to be able to fully respond to Applicant's response.

Thank you for your attention to this matter. Please do not hesitate to call me if you have any questions.

Respectfully,

  
Arturo D. Rodriguez, Jr.
