Dear Mr. Shankle:

I have been contacted by constituents from Bastrop County concerning the water quality permit by South Central Water Company regarding the operation of a wastewater treatment facility with outflow into Moss Branch and Dry Creek (permit number: WQ0014833001).

The constituents have asked me to contact you on their behalf to voice their concerns about possible environmental implications including vibrations and noise pollution as well as the endangerment of wildlife. I respectfully request a public meeting for the constituents of Bastrop County to fully discuss all issues pertaining to the permit with TCEQ officials. Any consideration you can give these constituents would be greatly appreciated.

Thank you for your time. If you have any questions, or if I can be of help to you, please feel free to contact my office.

Sincerely,

Robert L. "Robby" Cook
