Dear Ms. Fain:

Thank you for your request for a public meeting on the application by Katy 884 Partners, LTD, for permit WQ0014943001. This rule requires that a public meeting be held if: (1) the Executive Director determines that there is a substantial or significant degree of public interest in an application; (2) a member of the legislature who represents the general area in which the facility is located or proposed to be located requests that a public meeting be held; or (3) when a public meeting is otherwise required by law. The Executive Director has determined not to hold a public meeting on this application.
