CHIEF CLERKS OFFICE

Office of the Chief Clerk  
MC 105  
Texas Commission on Environmental Quality  
PO Box 13087  
Austin, TX 78711-3087

To Whom it May Concern:

I'm writing to fulfill the requirement that a public official submit a request for a public meeting regarding a permit application. Specifically, I would like to request a public meeting on Synagro of Texas - CDR, Inc. Permit Numbers WQ0004887000 and WQ0004888000. My constituents in the Garfield area of Del Valle have several concerns about this, including the possible odors and toxic materials that might affect their neighborhood should Synagro be allowed to build a wastewater treatment sludge plant there. I share their concern and hope they have every opportunity for legitimate input and discussion about this prior to any decision made by TCEQ.

Please respond in writing as soon as a determination is made regarding this request, and feel free to contact my Legislative Director, Robin Chandler, with any questions or information. Her email is [Robin.Chandler@house.state.tx.us](mailto:Robin.Chandler@house.state.tx.us), phone number 463-0674.

Thank you.

Sincerely,

Eddie Rodriguez, State Representative  
District 51, Austin
