Chief Clerk LaDonna Castañueña, MC 105
Texas Commission on Environmental Quality
P.O. Box 13087

Ms. Castañuela:

I would like to request a public meeting regarding the renewal of Permit No. WQ0014548001 submitted by 130 Cactus Investment, LP, 2207 Lake Austin Blvd., Austin, TX, 78703.

I am concerned, as are many of my constituents, that such a facility would be an unnecessary duplication of services to Pflugerville residents considering the city's planned regional wastewater treatment plant, which is now in the permitting stage with TCEQ.

I look forward to working with you to provide the public an opportunity to learn about the application and ask questions of the applicant and TCEQ.

Thank you for your assistance.

Sincerely,

Mark Strama/jh
