Re: City of Aledo, Docket No 2011-2016-MWD
City of Aledo Request (s) filed on permit #WQ0010847001

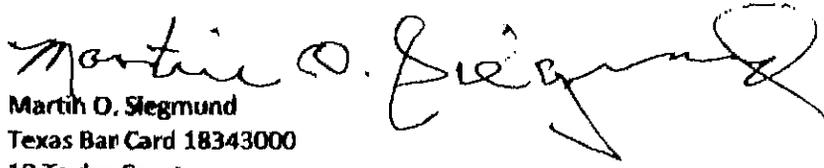

Motion for Continuance

Now comes Martin O. Siegmund, Protestant, in the above-described cause, who would show the court that due to a medical emergency for his wife, he will be unable to appear for the hearing on Wednesday, January 11, at 9:30 am.

This motion for continuance is necessary because his wife was taken to the emergency room at Texas Health Harris Hospital, Fort Worth, Texas, late last week due to various problems related to her heart. She is being treated by various doctors to remedy her condition that have to be consulted with on a daily or hourly basis, for which reason Protestant has to be available to discuss this matter with her attending physicians and help make decisions regarding surgery to protect her life.

This motion is to cover this immediate problem and is not for delay. I see no problem in appearing whatever time sets the hearing in the future.

Respectfully Submitted,

Martin O. Siegmund
