Dear LaDonna,

I am writing to request a public hearing for the planned sewer plant in Victoria, Texas. Many residents from my district are concerned about the potential odor and possibility for disease that may result from such a facility. I believe that a public hearing would allow their concerns to be discussed and would give my constituents a forum to ask questions about the sewer plant.

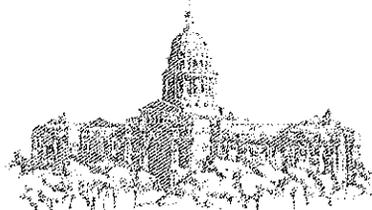

The project's TCEQ permit number is: WQ0010466002.

Thank you for your time regarding this matter and I hope that you will look favorably on this request. Should you have any questions, please do not hesitate to contact my office.

Sincerely,

Geanie W. Morrison
