To: Persons on the Attached Mailing List (by mail and facsimile as indicated)

Re: The Commission's Consideration of an Application filed by Avalon Water Supply and Sewer Service Corporation and the related hearing request; TCEQ Docket No. 2013-1507-MWD.

The above-named matter is scheduled to be considered by the Texas Commission on Environmental Quality (Commission) at its November 20, 2013 public meeting. On November 19, 2013, Aimee Hess, the attorney for Avalon Water Supply and Sewer Service Corporation (the "Applicant") and Gregory Wilhelm, attorney for the hearing requester, filed a joint motion for continuance of this matter to a date on or after February 26, 2014. The letter explains that the parties wish to have additional time to prepare for and schedule mediation.

My office has confirmed that neither the Executive Director nor the Office of Public Interest Counsel object to the requested continuance. Accordingly, pursuant to 30 TAC § 10.4 and the Commission's Resolution issued on February 2, 2009, Docket No. 2009-0059-RES, this matter is hereby continued and will be set for a future Commission public meeting. The parties will be notified by subsequent letter of the Commission meeting during which the Commissioners will consider this matter.

If you have any questions about the public meeting or related matters, please contact Barham A. Richard at (512) 239-0107.

Sincerely,
