RE: Williamson County Municipal Utility District No. 19 – Wastewater Treatment Plant Application; Proposed Permit No. WQ0015000001; Public Meeting Request

Dear Ms. Castañuela,

Public participation in the environmental permitting process is a vital part of the TCEQ's mission to maintain not only the integrity of the permitting process itself, but also to provide the public with a meaningful opportunity to learn about pending applications and provide valuable input to the TCEQ to guide its decisions.

As the Texas House Representative for District 20, on behalf of my constituents, I request a public meeting regarding Williamson County Municipal Utility District No. 19's pending application for a new wastewater treatment plant. I request that this public meeting occur as soon as practicable at a time convenient for area residents. Every effort should be made to hold such an important public meeting in close proximity to the area residents most affected by the proposed permit. Sun City Texas in Georgetown has a large facility that can accommodate the anticipated number of residents that will seek to provide their input. Thank you for your prompt attention to this matter.

Sincerely,

Charles Schwertner
State Representative

CHIEF CLERKS OFFICE

Dear Representative Schwertner:

Thank you for your letter requesting a public meeting regarding the proposed water quality permit by Williamson County Municipal Utility District No. 19, permit #WQ0015000001, in Williamson County.

Our Office of Public Assistance staff will contact you when the meeting has been scheduled. The meeting will be scheduled at a time and location convenient for you and your constituents.

If you have any questions, please contact me at (512) 239-5105 or Ms. Bridget C. Bohac, Director of the Office of Public Assistance, at (800) 687-4040.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark R. Vickery".
