TCEQ DOCKET NO. 2013-1597-MWD

REQUESTS FOR CONTESTED	§	BEFORE THE
HEARING FILED IN CONNECTION	§	
WITH WILLIAMSON COUNTY	§	TEXAS COMMISSION ON
MUNICIPAL UTILITY DISTRICT NO. 19	§	
PROPOSED PERMIT NO.	§	
WQ1500001	§	ENVIRONMENTAL QUALITY

**APPLICANT'S RESPONSE TO REQUESTS FOR
PUBLIC HEARING**

TO THE HONORABLE COMMISSIONERS OF THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY:

The Applicant in the above matter, Williamson County Municipal Utility District No. 19, files this its response to the requests for a contested hearing in the above matter, and in that connection would show as follows:

I.

Attached is a map showing the location of the property owned by the protestors, Mike and Pam Goolsby, Brian Massey and James W. and Minnie Faye Sansom, and 1941, Ltd.

II.

1941, Ltd. owns property approximately one (1) mile south of the site of the proposed sewage treatment plant. The discharge from the treatment plant will flow into an unnamed tributary; thence to Soves Branch, flowing north, away from the direction of the 1941, Ltd. property. Accordingly, 1941, Ltd. has no standing to request a contested hearing. It is a mile away from the plant, and is not on any creek through which the effluent will flow.

III.

Mike and Pam Goolsby own property at 2550 CR 258. Their property is not on Soves Branch and is not in the vicinity of the proposed treatment plant. It is more than one-half mile away from the proposed treatment plant site. Accordingly, Mike and Pam Goolsby do not have standing to request a contested hearing.

WHEREFORE PREMISES CONSIDERED, the Applicant, Williamson County Municipal Utility District No. 19 requests that the requests for a contested hearing by Mike and Pam Goolsby and by 1941, Ltd. be denied and for such other relief to which it may be entitled.

Respectfully submitted,
