RE: Air Quality Registration Proposal No. 109839

Dear Mr. Nelon:

Please accept this as my formal request for a public meeting on the Tex-Mix Partners, Ltd. proposal to construct a concrete batch plant at Highway 281 near Rebecca Creek Road in Comal County. As the Texas State Senator for the area, I have been contacted by many constituents with concerns regarding the location and operation of this proposed plant. I would request the public meeting be scheduled at the earliest possible time to allow citizens to be informed about this project and to ask questions of the Texas Commission on Environmental Quality staff and, if possible, representatives of Tex-Mix Partners, Ltd.

I am aware that several of my constituents have indicated that they will be requesting a public hearing to formally challenge the permit. I would support the efforts of affected parties to have their grievances heard before the State Office of Administrative Hearings for a full exploration of the findings of fact on the impact this proposed plant will have on the surrounding environment and the health of its proposed neighbors.

I appreciate your attention to this pressing matter. If you have any questions, please contact my New Braunfels District Office Case Manager, Ms. Kelly Follis, at 830/626-0065 or kelly.follis@senate.state.tx.us.

Sincerely,

Donna Campbell, M.D.
Texas Senator
District 25

Protecting Texas by Reducing and Preventing Pollution

May 30, 2013

The Honorable Donna Campbell, M.D.
Texas Senate
P. O. Box 12068
Austin, Texas 78711

Dear Senator Campbell:

Thank you for your letter requesting a public meeting regarding the pending application by Tex-Mix Partners, Ltd./Air Quality Permit Registration No. 109839 for construction of a concrete batch plant in Comal County.

We will work with your staff to schedule the public meeting at a time and location that is convenient for you and your constituents.

If you have any questions, please contact me at (512) 239-3914 or Ms. Bridget C. Bohac, Chief Clerk, at (512) 239-3300.

Sincerely,

A handwritten signature in black ink, appearing to read "Zak Covar".

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Dear Mr. Gould:

As the Comal County Commissioner for Precinct 4, I am requesting a public meeting regarding the proposal by Tex-Mix Partners, Ltd. to construct a concrete batch plant at Highway 281 near Rebecca Creek Road where there is a residual development. Many of my constituents have expressed alarm at the possibility of this proposed plant becoming a reality. These citizens join me in being concerned about air quality, noise, traffic, ground water contamination, soil contamination, harm to wildlife, the general environmental impact and quality of life issues.

I earnestly request this public meeting as soon as possible at a location convenient to those who are eager to attend. I will be happy to help find a location here. This will be an opportunity for my constituents to voice their concerns as a first step in our effort to ask for the denial of a permit to Tex-Mix Partners, Ltd.

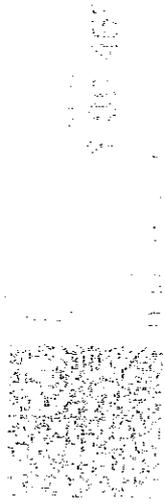

If you need to contact me, my cell phone number is 830-708-0861. Your prompt attention to this request will be deeply appreciated.

Most sincerely,

Jan Kennady

Re: Request for Public Hearing
PROPOSED CEMENT PLANT IN SPRING BRANCH, TX

DUE DATE: _____

Dear Zak,

I write to you today at the behest of my constituents in Comal County. I join them in requesting that a public meeting be set to allow community input and education on a proposed cement plant in Spring Branch, TX that would potentially threaten the health of nearby residents. The proposed site of the cement plant is on Hwy 281 just south of Rebecca Creek Road. If this plant is allowed, the fine dust in the air mixed with the diesel fumes and particles that will be emitted into the air from the plant could have very negative effects on the health of local residents and property owners.

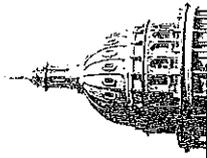

Thank you for your consideration of this request and I look forward to visiting with you soon. If you have any questions, please do not hesitate to contact my Capitol office at 512-463-0325.

Sincerely,

Doug Miller
State Representative
