COMMENTS: "Thank you for the document titled "Backup MaterialStandard Permit Registration No. 109839 TCEQ Docket No. 2014-0525-AIR" dated May 9, 2014 which recognizes us as an affected group. We still request a Contested Case Hearing on the subject air permit because: 1.) the data used to make the decision is incomplete, 2.) the impact analysis used by TCEQ misrepresents the actual impact, and 3.) the applicant did

not satisfy the law regarding an application. Respectfully, Neighbors Of Spring Branch
