Dear Ms. Castañuela:

Texas Conservation Alliance (TCA), a statewide conservation group that is the state affiliate of the National Wildlife Federation, requests that the Texas Commission on Environmental Quality hold a contested case hearing on Application # 12151 by the North Texas Municipal Water District to construct a reservoir in Fannin County to be called Lower Bois d'Arc Creek Reservoir.

TCA's members in Fannin County would be directly affected by construction of the reservoir, some by having their land inundated, others by losing traditional recreational activities associated with the creek and its floodplain forests.
