COMMENTS: I request a contested case hearing. I live at 13808 Old Hwy 20, Manor TX 78653. I believe my home is within 440 yards of the proposed plant, and that the emissions of air contaminants will adversely affect my health, my property, and my quality of life. I do not know if or when a public notice has been issued about this permit application. A sign about the permit was just put up across the street from my driveway on Monday, May 5, 2014. I would also like to be placed on a mailing list to receive future public notices for this specific

application. Note - The email and phone number on this comment are for Heidi Neff, my girlfriend, who is assisting me in this matter.
