Re: Permit Registration Number 123329

Dear Mr. Hyde:

Thank you for your attention to my request for a public meeting concerning the proposed air permit (123329) from the CEMEX Construction Materials South, LLC. After meetings between my office, several constituents, and the company, an agreement has been reached, that the community feels will lead to improvements to the facility, to ensure the safety of our community.

At this time, I, along with the agreement of concerned constituents, withdraw the request for a public meeting. You can be assured that our community organizations will continue to maintain our interest in the companies that seek to do business in our neighborhoods, in order to protect the health and safety of our residents. Thank you for your assistance on this issue.

Sincerely,
Alma A. Allen
