**COMMENTS:** Chief Clerk, I would Like to object to the separate renewal and major amendment applications, Pemit number UR02827, by URI,Inc.to the Texas Commission on EnvironmentalQuality. The reason for my objection is as follows: URI, Inc. has contaminated Water Well 24(WW-24)located in the Garcia Hill area in Kleberge Countyin an area Northwest of PAA3 in the the Kings Ville Dome. A complaint has been filed with

MW

TCEQ and an investigation is ongoing. The Uranium content in the water from WW-24 rose to over 1000 mcg/l.  
Respectfully submitted, Jacqueline Sexauer
