RE: Permit No. WQ0005092000  
RN NUMBER: RN106849318

To Whom It May Concern:

As I referenced in my personal Contested Case Hearing request, enclosed are the surveys containing the names and addresses of over forty of my neighbors also concerned about noise, air quality, ground water and run-off problems.

Thanks for your consideration.

TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

The undersigned affirm that they live or own property within three (3) miles of the proposed facility; that because of our close proximity, unlike the General Public, we will be adversely affected by dust pollution noise pollution, reduction of available surface and ground water supplies, potential water contamination, decreased property values and increased truck traffic and increased roadway deterioration. Because of these reasons we request a Contested Case Hearing.
